Mitchell Evans,1998 This book provides a political economy perspective on recent changes within Canadian public administrative practice and structure revealing the theoretical and practical underpinnings of neoliberal public administration The role of globalization state fiscal crisis economic restructuring and the ideological shift to the political right are viewed as central explanatory factors in public administrative and public policy change **British Journal of Canadian Studies** ,1998 **Law Books in Print: Title index** Glanville Publishers, Incorporated,1997 **A Bibliography on Foreign and Comparative Law** ,1955

International Books in Print ,1990 **Global Spin** Randall White,1995-10 This book is part of the Towards the New Millennium Series featuring the works of thoughtful Canadians who are profoundly interested in the future of Canada and the world **Law Books in Print: Publishers** ,1997 *Canadian Books in Print* ,2001 The British National Bibliography Arthur James Wells,1998 **American Leviathan** Ned Ryun,2024-09-17 American Leviathan is the story of the rise of Progressive Statism and their massive bureaucratic Administrative State at the turn of the 20th century and how we got to where we are today in the 21st century with governmental abuse by a class of so called experts Because of Progressives quiet regime change over the last century and their replacing the Constitutional Republic with that Administrative State our government today has very little to do with what the Founders envisioned So the question for us today is will we restore the American Republic and actually have a government of by and for the people American Leviathan details how an empowered Executive in the White House can actually devolve and break apart the Administrative State that is the leviathan crushing the freedoms of the American people **The Making of a Fiscal-Military State in**

Post-Revolutionary France Jerome Greenfield,2022-09-01 Drawing on a wide range of archival and published documents this book explains how the French Revolution of 1789 transformed the French state and its fiscal system and how further reforms in the nineteenth century created a durable post revolutionary state Instead of presenting the nineteenth century French state as primarily the creation of the Revolutionary and Napoleonic era as most scholars have done Jerome Greenfield emphasises the importance of counter revolution after 1815 in establishing a stable durable state capable of surviving revolutions in 1830 and 1848 intact The years 1815 1870 thus marked a crucial period in the development of the French state not least in stimulating the economic interventionism for which it become notorious and facilitating the resurgence of France as a great power after Napoleon s defeat at Waterloo Choice ,1996 **The Big Lie** Dinesh D'Souza,2017-07-31 Of course everything D Souza says here is accurate But it s not going to sit well with people on the American left who of course are portraying themselves as the exact opposite of all of this RUSH LIMBAUGH The explosive new book from Dinesh

D Souza author of the 1 New York Times bestsellers *Hillary's America* and *Obama's America* What is the big lie of the Democratic Party That conservatives and President Donald Trump in particular are fascists Nazis even In a typical comment MSNBC host Rachel Maddow says the Trump era is reminiscent of what it was like when Hitler first became chancellor But in fact this audacious lie is a complete inversion of the truth Yes there is a fascist threat in America but that threat is from the Left and the Democratic Party The Democratic left has an ideology virtually identical with fascism and routinely borrows tactics of intimidation and political terror from the Nazi Brownshirts To cover up their insidious fascist agenda Democrats loudly accuse President Trump and other Republicans of being Nazis an obvious lie considering the GOP has been fighting the Democrats over slavery genocide racism and fascism from the beginning Now finally Dinesh D Souza explodes the Left's big lie He expertly exonerates President Trump and his supporters then uncovers the Democratic Left's long cozy relationship with Nazism how the racist and genocidal acts of early Democrats inspired Adolf Hitler's campaign of death how fascist philosophers influenced the great 20th century lions of the American Left and how today's anti free speech anti capitalist anti religious liberty pro violence Democratic Party is a frightening simulacrum of the Nazi Party Hitler coined the term the big lie to describe a lie that the great masses of the people will fall for precisely because of how bold and monstrous the lie is In *The Big Lie* D Souza shows that the Democratic Left's orchestrated campaign to paint President Trump and conservatives as Nazis to cover up its own fascism is in fact the biggest lie of all
