great remote team culture but who don't have time or know where to start. Whether you're new to remote work or have been working remotely for years, there's enough on your plate already without thinking about how to connect with and engage your team. I wrote this book to do just that and take one thing off your to-do list. The book is intentionally short, low on reading and high on actions. It's organized in such a way that you can open it five minutes before your meeting to grab a quick game or sit down to plan a longer virtual team retreat. In the first few pages, you will find a Quick Reference Guide to help you find exactly what you need. You will have access to 75 activity ideas and hundreds of questions to help make your remote meetings, one-on-ones, and day-to-day virtual interactions more engaging. Beyond games, you will find team reflection activities, stay-conversation questions, a unique end-of-the-year team celebration idea, and more. You will also find simple ways to virtually learn, stay healthy, and celebrate together as a team. The only thing you need to do is take action.
