Discipleship In The New Age Vol 2:

Discipleship in the New Age Vol II Alice A. Bailey, Djwhal Khul, 2013-04-01 Two volumes contain the record of a series of personal and group instructions given to a small group of aspirants over a period of fifteen years by a Master of the Wisdom. They contain detailed teachings on Meditation Initiation and the Six Stages of Discipleship. They emphasise the new age pioneering necessity for group work, the development of group consciousness and the change in training for initiation from individuals to discipleship groups. Discipleship in the new age, vol.2, by alicia a. bailey (pbk). Alice A Bailey, 1973

Rules for Spiritual Initiation Zachary Lansdowne, 1990-05-01 Zachary Lansdowne author of earlier books on the Ageless Wisdom reveals the esoteric significance of fourteen symbolic rules that were originally published by Alice A Bailey. He shows that the symbols in each rule have both an outer and inner meaning. The outer meaning describes an objective in character building and the inner meaning describes a stage in the process of meditation. The initial sequence of seven rules provides elementary instructions for the path of probation leading to the first spiritual initiation and the next sequence provides advanced instructions for the path of discipleship leading to the second and third initiations. Lansdowne also discusses the close relationship between these rules and the typology of the seven rays. The end result is an easy-to-understand guidebook to the various stages of the spiritual path. **The Chakras & Esoteric Healing** Zachary F.

Lansdowne, 1993-01-01 Many healers today are working with the chakras, subtle force centers that vitalize and control the physical body. This excellent sourcebook examines the relationships between the chakras, states of consciousness and the following types of esoteric healing: Pranic healing which can stimulate the vitality within the patient's physical body; Telepathic healing which can effect the patient's mental attitudes and subconscious mind; and Radiatory healing which can calm the patient's emotions, awaken compassion, strengthen the mind and bring the individual into alignment. The author also discusses meditation, self-hypnosis and its dangers, spiritual development, psychic opening, telepathy and provides instructions not only on how to use the chakras but admonitions against their abuse. **The Compass of Light Volume 1** Starling
