**Discipleship** Charles R. Swindoll, 1998-09-01      **Discipleship** Charles R. Swindoll, 1990      *One-on-one Discipleship* Charles R. Swindoll, Gary Matlack, Jason Shepherd, Lee Minis Hough, 1999      Transforming Discipleship Greg Ogden, 2016-10-02 Greg Ogden recovers Jesus method of accomplishing life change by investing in just a few people at a time In this revised and updated edition Ogden sets forth his vision for transforming both the individual disciple and discipleship itself showing how discipleship can become a self replicating process with ongoing impact from generation to generation

*Discipleship* Charles R. Swindoll, 1990-07      **The strong family** Charles R. Swindoll, 1997      **Discipleship on Fire** Scott Thom, 2015-07-22 When the New Testament Church started it grew rapidly but there were no churches Disciples met in homes yet Christianity exploded all around the world How did the apostles do it They built people not buildings They poured themselves into others who in turn mentored even more It was a strong solid church that withstood persecution and hardships This book is a step by step Biblical system to disciple anyone If you are a parent teacher coach or especially a leader in the church you will find this book a continual reference You can recapture the essence of how Jesus trained for success The apostle Paul said Follow me as I follow Christ It is a simple principle but if followed it will set your world on fire

**Origination of Something Glorious** Charles R. Swindoll, 1995 In this first of a four volume study on Luke s gospel you ll meet the God of the Universe who came in human flesh healing the sick comforting the hurting guiding those who are without direction and touching the untouchable      **Making Disciples** Sylvia Wilkey Collinson, 2007-01-01 The Christian faith community regards the making of disciples as a prime directive of Jesus himself though this theme is not dominant in contemporary models of teaching in the church This investigation seeks to develop a theory of discipling and to test its congruence as an effective educational strategy with the objectives of modern Christian faith communities After briefly examining the discipling model of teaching as practiced in the world of the Ancient Near East a detailed study of New Testament texts investigates the practice of discipling by Jesus and his followers and in the church of the first century An understanding of the concept of discipling is gained by gradually refining its definition as the study progresses through a contemporary examination of other informal models of education Religious and educational research findings are explored to enable the validity of the discipling model to be determined Finally the definition is used as a benchmark to examine various contemporary educational theories within the community of faith In contrast to the schooling model discipling has been shown to be an effective model for teaching attitudes values and behavior as well as knowledge and beliefs in today s church Its emphasis on commitment to learning relationships within a nurturing community and active involvement in the mission of Christ to the world and its capacity to adapt to differences in age culture ability and interests make it a model of teaching worthy of much greater attention by the Christian faith community      *The Declaration of Something Mysterious* Charles R.
