and make disciples of all men and teach them to obey His commands And in John 15 16 Jesus said that we did not choose Him but He has chosen and appointed us that we should go and bear fruit and that our fruit should remain that whatever we ask the Father in His name He will give to us He was giving to His disciples final instructions in relation to how to build people spiritually in the church On the subject of church life there are countless books that have been published many seminars to attend and church conferences arranged The Body of Christ is not devoid of teaching in relation to what the church needs and much of it is excellent revelation and we need to thank God that we live in a day when such teaching is readily available Having acknowledged that we must never forget the words Jesus said to His disciples in those final moments make disciples and teach them to obey my commands This suggests that people are not born disciples but that they need to enter a process by which they will become disciples Jesus knew the importance and impact of a life touching another life Therefore it is vital that we who have already submitted our own will and are true disciples give ourselves to the process of building people so that they in turn will do the same to others We were not told to gather a crowd and use techniques of the day to accomplish that aim this is not about how many people we gather on a Sunday but how effective we are in making people true followers of Jesus Christ This is what YOUR NEW LIFE is about making people disciples and true followers of Jesus Christ Ngozi Okike is a woman who all her life has understood these principles Before she penned anything in this manual she has lived through it and tested it in her own life Her desire is to see the Body of Christ built up and a lifestyle to begin the moment a person surrenders his her life to Christ so that it will ultimately produce true discipleship in their lives Because of her deep conviction and belief that a person should be taught to lean upon the Lord and know what He is commanding us to do she has given us the Church this tool by which we can achieve this objective in people s lives You will find that YOUR NEW LIFE is a very basic manual written in plain easy to understand language so as not to alienate anyone from the truth Ngozi herself is very educated yet she has been able to communicate life changing principles in a style that all will understand It is her sincere desire that any new believer who gets hold of this book will not be in any doubt as to what the Christian life entails Ngozi prays that every believer who reads this book will go on to maturity and help others find Christ Every church Christian group or organization that is passionate about seeing souls saved and nurtured in the faith should find this book an invaluable tool

PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
