Discipline Of History And The History Of Thought:

The Discipline of History and the History of Thought M.C. Lemon, 2002-06-01 Although much has been written of the nature of history and its disciplinary problems less attention has been paid to the history of thought M C Lemon s rigorously philosophical work first re asserts the discipline of history in general as narrative based before pursuing the methodological implications for the history of thought This original work of scholarship will raise the level of argument in philosophy of history and provoke debate among historians philosophers and political theorists

The Discipline of History and the History of Thought ,1995

Refiguring History Keith Jenkins, 2005-07-08 In this engaging sequel to Rethinking History Keith Jenkins argues for a re figuration of historical study At the core of his survey lies the realization that objective and disinterested histories as well as historical truth are unachievable The past and questions about the nature of history remain interminably open to new and disobedient approaches Jenkins reassesses conventional history in a bold fashion His committed and radical study presents new ways of thinking history a new methodology and philosophy and their impact on historical practice This volume is written for students and teachers of history illuminating and changing the core of their discipline

Philosophy of History M.C. Lemon, 2003-08-29 Philosophy of History is an essential introduction to a vast body of writing about history from classical Greece and Rome to the modern world M C Lemon maps out key debates and central concepts of philosophy of history placing principal thinkers in the context of their times and schools of thought Lemon explains the crucial differences between speculative philosophy as an enquiry into the content of history and analytic philosophy of history as relating to the methods of history The first two parts of the book trace each of these traditions whereas the third part revisits both in the light of recent contributions to the discipline This guide provides a comprehensive survey of historical thought since ancient times Its clear terminology and lucid argument will make it an invaluable source for students and teachers alike

Palgrave Advances in Intellectual History R. Whatmore, B. Young, 2006-05-26 The past three decades have seen a remarkable growth of interest in intellectual history and this book provides the first comprehensive survey of recent research in this field Each chapter considers developments in intellectual history and shows the ways intellectual historians have contributed to more established disciplinary enquiries

The Natural History of Thought in Its Practical Aspect George Wall, 1887

Hobbes, the Scriblerians and the History of Philosophy Conal Condren, 2015-10-06 Satire was core to the work of Thomas Hobbes although his critics also used it as a weapon to ridicule him Condren uses Hobbes as an example to demonstrate that an examination of the persona is needed to advance our understanding of a writer s philosophy

Traditional Ethics and Contemporary Society of China Guojie Luo, 2023-04-28 Based on the ethical thinking of the pre Qin Dynasty this book discusses the formation and development of traditional Chinese ethics the refinement of the Confucian ethical normative system and the establishment of its orthodoxy as well as the deepening and maturation of feudal ethics The book is simple in style and clear in context It contains not only the essence of

traditional Chinese morality but also the achievements of modern civilization It analyzes the implications of traditional Chinese ethics on the governance and moral construction of modern society and can be used as a reference for governance and revitalization of the country and moral development
