A STRONG WILLED CHILD

Discipline While You Can The Strong Willed Child

David Porter

Discipline While You Can The Strong Willed Child:

Discipline While You Can James Dobson,1983 **Discipline While You Can** James C. Dobson,1989 *The New Strong-Willed Child* James C. Dobson,2014-09 Is a willful little darling driving you to distraction The New Strong Willed Child is the resource you need a classic bestseller completely rewritten updated and expanded for a new generation of parents and teachers Challenging as they are to raise strong willed children can grow up to be men and women of strong character if lovingly guided with understanding and the right kind of discipline Find out what Dr James Dobson today s most trusted authority on parenting has to say about what makes strong willed children the way they are shaping the will while protecting the spirit avoiding the most common parenting mistake and much more If you are struggling to raise and teach children who are convinced they should be able to live by their own rules The New Strong Willed Child is a must read This new edition is part of Dr James Dobson s Building A Family Legacy initiative The Strong-willed Child James C. Dobson,1993 Journey of a Strong-Willed Child Kendra Smiley,2008-12-08 You can Parent Like a Pro with Kendra and John Smiley Readers will be familiar with Kendra s strong willed child Aaron from Aaron s Way Updated and refreshed this book brings to life and light the challenges of rearing a child who wants to do things his or her own way Resident Dad John Smiley lends his insights on the father s role in a willful child s discipline and Aaron now grown adds his unique perspective **The Everything Parent's Guide to the Strong-Willed Child** Ellen Bowers,2012-04-18 Set boundaries and eliminate power struggles without conflict I won t go I don t care You can t make me Every parent hears these words at one time or another but if you have a strong willed child the arguments can seem never ending Fortunately there s hope The Everything Parent s Guide to the Strong Willed Child 2nd Edition can help you put a stop to the endless cycle of battles with your child and rebuild a relationship based on love and respect rather than conflict This essential guide shows you how to trade in exhausting and ineffective punishment for techniques that can help you Identify the triggers of combative behaviors Understand strong willed and spirited motivations Give your child tools to develop self control Learn how your reaction can lessen or intensify strong willed behaviors Communicate more effectively with your child Strengthen the family bond and create a safe environment Featuring a positive approach to discipline and including new ways to compromise and communicate with children this all in one guide has everything you need to raise capable happy and agreeable kids **When Your Child Has a Strong-Willed Personality** Carl E Pickhardt,Vince Iannelli,2008-10-17 Many parents of strong willed children feel inadequate or like they re doing something wrong But this isn t true Although strong willed children do present a unique challenge it is possible for Mom and Dad to tailor parenting practices and actually enjoy their time with the kids Written by two distinguished parenting authorities this book offers specific advice on the serious problems that face so many parents Finally readers can relax as they learn how to regain control of their family reap the benefits of healthy communication discipline to teach not to punish resolve conflict effectively and overcome willfulness in older children When every mealtime

bathtime and bedtime is a struggle discouraged parents need answers and now they have them With this book parents can rest assured that they too can raise a respectful cooperative and pleasant child Setting Limits with Your Strong-Willed Child, Revised and Expanded 2nd Edition Robert J. Mackenzie, 2013-06-18 In this fully revised and expanded second edition Setting Limits author Robert MacKenzie is back with even more time proven methods for dealing with misbehavior and creating positive respectful and rewarding relationships with children prone to acting out and disobedience Disruptive misbehavior constant power struggles manipulative or aggressive behavior the challenges facing parents and teachers of strong willed children can seem overwhelming at times That's why thousands of parents and educators have turned to the solutions in Setting Limits With Your Strong Willed Child This revised and expanded second edition offers the most up to date alternatives to punishment and permissiveness moving beyond traditional methods that wear you down and get you nowhere and zeroing in on what really works so parents can use their energy in more efficient and productive ways With fully updated guidelines on parenting tools like logical consequences and examples drawn directly from the modern world that children deal with each day this is an invaluable resource for anyone wondering how to effectively motivate strong willed children and instill proper conduct **Your Strong-Willed Child** Jordan Waldrop, 2020-09-23 Discover the secrets to reclaim your stature as a parental authority and regain your child's cooperation and respect Does your child throw interminable temper tantrums that just won't subside whatever trick of the book you may try You may have tried calming them down by reasoning with them giving them affection or simply ignoring them hoping that the outburst would end on its own Are you tired of their stubborn persistence and their constant defiance of your authority They just love those power struggles and indulge in finding loopholes and exceptions in every single situation where they don't feel satisfied or when they don't get exactly what they want Does he or she constantly ignore warnings they don't want to hear making use of their exceptionally developed selective hearing skills Your desperate attempts at vocalising a watch out be careful don't jump on the couch are simply ignored if they're not interested in what you have to say and will tune out of anything they think doesn't suit their desires If you're all too familiar with these questions and scenarios know that you're dealing with a strong willed child Awareness of the fact is a major first step From there on things can finally start changing for the better Rest assured however you're surely not the only parent with a spirited child out there In fact you may be surprised to know that 85% of modern families include at least one strong willed child so while your situation may seem overwhelming at times it's not the least unusual And much like many parents out there armed with the right tools and in depth guidance on how to positively discipline your child you will soon start seeing steady positive changes in your child's behaviour And finally gain some much needed peace of mind In Your Strong Willed Child you'll discover How to discipline your child from a place of love and avoid any long term damage or conflict to your relationship An in depth profile of your strong willed child along with thorough guidance on how to deal with their most difficult behaviours What a positive figure of authority is and how to position yourself as one in your child's life to

avoid any power imbalances The 5 crucial kinds of rules your home must have if you want to raise your child to become a successful adult How to transform correctional responses into instructional responses and build a relationship based on respect between you and your child How to get your child to cooperate without having to rely on harsh punishment and punitive discipline The vital building blocks of positive discipline and what sets it apart from traditional and outdated disciplinary methods And much more It may be exhausting and you may be angry and angry for being angry because each day is an ordeal but with a little patience and the right strategies there's no reason why your child won't change their exhausting behaviour Taking the right amount of care and exhibiting the right kind of sensitivity will transform all the currently challenging traits into positive attributes And remember this is just a phase With patience and perseverance you will soon watch your strong-willed child develop admirable life skills becoming the adult who by spending years defying you isn't afraid to stand up to the things they believe in If you want to finally discover bulletproof ways to discipline your strong-willed child without breaking their spirit then scroll up and click the Add to Cart button right now

Good News about Your Strong-Willed Child Randy Reynolds, Paul Moede, 1995 This book helps parents gain loving advice on how to say yes to the child who says no

The New Strong-Willed Child James C. Dobson, 2014-08-22 More than 2.5 million copies sold Is a willful little darling driving you to distraction The New Strong-Willed Child is the resource you need a classic bestseller completely rewritten updated and expanded for a new generation of parents and teachers seeking guidance on dealing with kids difficult behavior Find out what Dr James Dobson author of Bringing Up Boys and today's most trusted authority on parenting has to say about What makes strong-willed children the way they are Shaping the will while protecting the spirit Avoiding the most common parenting mistake Setting boundaries with the defiant child Strong-willed children and ADHD If you are struggling to raise and teach children and teens who are convinced they should be able to live by their own rules The New Strong-Willed Child is a must read This new edition is part of Dr James Dobson's Building A Family Legacy initiative designed to help you overcome common frustrations and create peace in your home Challenging as they are to raise strong-willed children can grow up to be men and women of strong character if lovingly guided with understanding and the right kind of discipline

Raising Strong-Willed Toddlers Michelle Mann, 2025-08-25 When one of your tiny toddler's big emotions jumps up to bite you one of the greatest feelings of shame for many parents comes from not knowing how to handle it or worse still feeling like you haven't handled it well I'm sure you don't need me to tell you but parenting can be tough You have a child destined for great things to be responsible for There is no perfect parent or child but somehow we always manage to find shame in not living up to these fanciful expectations It is a great service to your child to raise them with a strong will The world isn't an easy place to get along in Preparing your child to back themselves through life's trials is setting them up for success in the future Unfortunately it can also feel like setting yourself up for arguments in the supermarket snack aisle Describing a child as strong-willed can often bring with it a hefty amount of negative baggage You went to the

store for a gallon of milk but for some reason or another you've left with a screaming toddler unable to fathom the logic of not being allowed a whole box of chocolate cookies on a whim. It feels like the entire store is glaring at you. It feels somewhere along the way somehow like you've failed as a parent. The reality is that perspective is everything especially in raising a toddler. This isn't a failure; this is an opportunity to help mold your child into a dynamic individual prepared for whatever the future holds. The change of perspective I want to share with you is understanding that the big emotions that often lead to meltdowns or tantrums or hissy fits often have nothing to do with you or your child's personality. They have everything to do with little minds processing ideas that are bigger than themselves. What I want to share with you is an understanding of the way those little minds are wired and strategies to help your child wrangle with these big feelings without all the tears. My book and your go-to guide *Raising Strong-Willed Toddlers: Powerful Tools to Raising a Natural Leader* will teach you Strong-willed truths, the psychology behind why our children can act the way they do. Step by step techniques for managing key parenting battlegrounds like saying no, potty training, and many more. Tips for helping to nurture your child's strong will to grow it into genius or leadership ability in later life. How to keep your head when things get to be a little too much. All of these tips and strategies are backed by experience and a psychological understanding of the little minds. It is our responsibility to develop. Whether you're struggling to implement your own strategies or are completely at a loss for what to do, there's something in here to make parenting your strong-willed toddler that much more effective. There's no reason to battle through your child's toddler years with stress and high emotions. There's even less reason to think of yourself as a failure for not having all the answers already. There's no reason to think of yourself as an inadequate parent. Simply by picking up this book, you prove you're willing to learn and develop new techniques to do right by your kids.

Parenting the Strong-Willed Child, Revised and Updated Edition: The Clinically Proven Five-Week Program for Parents of Two- to Six-Year-Olds Ph.D. Forehand, Rex, Ph.D. Long, Nicholas, 2002. The bestselling five-week program to improving the disruptive child's behavior, now updated and revised. Based on more than 40 years of collective research, parents and longtime child behavior experts Dr. Rex Forehand and Dr. Nicholas Long have devised a program to help you find positive and manageable solutions to your child's difficult behavior. Now in a revised and updated edition, *Parenting the Strong-Willed Child* is a self-guided program for managing disruptive young children based on a clinical treatment program. This hands-on guide provides you with a step-by-step five-week program toward improving your child's behavior as well as the entire family's relationship. Providing you with the necessary tools for successfully managing the difficult child, the book covers specific factors that cause or contribute to a child's disruptive behavior, ways to develop a more positive atmosphere in your family and home, actual reports by parents of difficult children, strategies for managing specific behavior problems, how to tell if your child might have ADHD, and more.

Parenting Techniques for Strong-Willed Children Elizabeth N. Richards, Strong-willed children can be terrible to deal with. They make it difficult for you to hold your place as a parent. Most times you may feel like

spanking will do so much good only to realize it worsens it When dealing with a stubborn child you may constantly try to remind them that you are in charge Sadly some strong willed children become more difficult when you try to discipline them with the wrong strategy But here is the truth strong willed children can become the best gift that nature has given to you if you discipline them the right way They have great leadership potential and have high chances of setting the pace for their peers to follow You only need to discover the key thing about strong willed children their emotions Their emotions are their greatest strength and can also be their point of weakness In this book you will learn how to break through your child s defense walls and make them listen to you You will discover the different ways to discipline defiant kids without pushing them away

Simplicity Parenting the Strong-Willed Child Mary Lang,2019-10-14 Some children come to the world with an incredible gift of strong will and indomitable spirit Such children often experience a profound misunderstanding of themselves from other people There are a whole series of books lining the shelves of bookstores with instructions on how to break their will subdue the spirit and make them obey What an incredible loss of leadership enthusiasm and insights this world brings when parents follow such punitive methods of parenting We must raise such children gently carefully and respectfully because the gifts we receive in return are invaluable Any parent who has such a child knows the challenges that come along with it Sometimes the parent needs to be right and a headstrong child refuses to understand or accept that It can feel like you re up against an immeasurable force which can be discouraging and even infuriating When every day is a fight it is time to reevaluate your relationship with your child and find a new way of doing things Clearly what you are doing so far is not working so a better way is necessary That s where this book comes into play Once you read it you will learn how to bond with and love your strong willed child by embracing his strengths and coping with his obstinacy You will learn how to let go of frustration and prevent fighting arguing and resistance The end result will be a peaceful and constructive relationship with a well behaved child who feels appreciated and loved In this book you will discover the main character traits of a strong willed child features of raising a child with a strong will rules of the no drama discipline tips for parents of children with strong character how to develop a strong willed child and more All of the tips in this book are carefully crafted through experience to enable you to have a stellar relationship with your child Say goodbye to the fighting the negative emotions and the temper tantrums Welcome a relationship where you actually get to know your child and cooperate with him on a lifelong relationship Invest your time read this book and become a better parent Grab your copy today by clicking the BUY NOW button at the top of this page

Parenting the Strong-Willed Child, Revised and Updated Edition: The Clinically Proven Five-Week Program for Parents of Two- to Six-Year-Olds Rex Forehand,Nicholas Long,2002-03-15 The bestselling five week program to improving the disruptive child s behavior now updated and revised Based on more than 40 years of collective research parents and longtime child behavior experts Dr Rex Forehand and Dr Nicholas Long have devised a program to help you find positive and manageable solutions to your child s difficult behavior Now in a revised and updated

edition Parenting the Strong Willed Child is a self guided program for managing disruptive young children based on a clinical treatment program This hands on guide provides you with a step by step five week program toward improving your child s behavior as well as the entire family s relationship Providing you with the necessary tools for successfully managing the difficult child the book covers specific factors that cause or contribute to a child s disruptive behavior ways to develop a more positive atmosphere in your family and home actual reports by parents of difficult children strategies for managing specific behavior problems how to tell if your child might have ADHD and more *The Focus on the Family Complete Book of Baby & Child Care* Paul C. Reisser,1997 The Complete Book of Baby and Child Care is an up to date comprehensive reference book every parent will repeatedly use as their children grow through the teen years The approach is to deal with the complete person in the physical mental emotional and spiritual spheres of life The contributors are members of the Focus on the Family Physicians Resource Council Many are leading Christian physicians psychiatrists pediatricians psychologists and professors in their respective medical professions **Report of the Departmental Committee on Defective and Epileptic Children** Great Britain.
