The stone is weathered and has a mottled appearance. The text "Khmer" is written in a large, white, serif font, and "The Lost Empire of Cambodia" is written in a smaller, white, serif font below it. Discovery of Prehistory Ancient India Dr. Jagat K. Motwani, 2018-02-22 Nationalist and Revolutionary While a high school student I actively participated in the Mahatma Gandhis 1942 movement Quit India I felt disappointed because only a few prominent leaders like Gandhi and Nehru were imprisoned On Sept 9 1945 under the patronage of the Dadu District British Collector the town dignitaries including my grand father and Mr Tuljaram Nagrani the principal of the town High school along with the matriculate students had assembled at the Hindu temple to celebrate the victory of the Allies at the WW II Sweets were distributed I threw the sweets on the floor The reason I did this was not because I sided with the Axis powers But because Indian soldiers were fighting for Britain as India was not a free country Next morning the Principal got me in his office and whipped me several times on my palms and ordered me to leave the school and come back with my parent The principal told my father that Jagat to pay a fine of Rs 5 and threatened that in case of denial I will be rusticketed expelled from school as a bad character student and no school would admit me I am proud of my father that he said that only Jagat to decide I said that paying fine means admission of the guilt In my opinion it was not a guilt I with recommendation of my class teacher Mr Chandnani got admission in the P H High School Dadu only about 50 miles away from my home town In 1947 on the eve of partition there was an accidently bomb explosion in Karachi suspected of an RSS activity Several RSS leaders were arrested A Khalsa police officer secretly alerted my grand father to hide me to avoid arrest I along with a few RSS pracharaks secretly reached Karachi to take a ship for Okha Gujarat then train to Baroda In 1948 Mahatma Gandhi was assassinated by Nathuram Godse Because Godse was an RSS member the whole RSS all over India was banned I participated in the collective protest against the injustice of punishing the whole RSS organization because of the crime by its only one RSS member Whole family can not be punished because of the crime of its one member I was imprisoned in Baroda jail for four months Thousands of RSS members all over India were imprisoned Dr Jagat K Motwani *Southeast Asian Ceramics* John N. Miksic, 2009 Southeast Asia is known to many as a region teeming with tourist destinations economic opportunities and ex colonies but a lesser known facet is its colourful and myriad cultures in which ceramics form an integral part of the social fabric Focusing primarily on the Classical Period 800 1500 CE this book views ancient Southeast Asian culture through the lens of ceramic production and trade influenced but not completely overshadowed by its powerful neighbour China In this landmark publication noted archaeologist and scholar John N Miksic constructs a vivid picture of the development of Southeast Asia s unique ceramics Along with three contributing authors Pamela M Watkins Dawn F Rooney and Michael Flecker he summarizes the fruits of their research over the last forty years beginning in Singapore with the founding of the Southeast Asian Ceramic Society in 1969 The result is a comprehensive and insightful overview of the technology aesthetics and organization both economic and political of seemingly diverse territories in pre colonial Southeast Asia It is essential reading for all those with an interest in the economic history of the region and also for anyone who seeks a better

understanding of the brilliant but too often underestimated material culture of Southeast Asia *Discovery of North-East India* Suresh Kant Sharma,Usha Sharma,2015 **Dr. Rex Curry's Amazing Discovery** Ian Tinny,2014-07-26 Dr Rex Curry and his astounding historical achievements are studied by the author Ian Tinny including Dr Curry s discovery that 1 the USA s Pledge of Allegiance to the flag was the origin of the Nazi salute and Nazi behavior and 2 the swastika although an ancient symbol was also used to represent crossed S letters for socialism under Nazism the National Socialist German Workers Party Because of the revelations there are unexpected results Tinny and his assistants collect old photos and film footage of the early Pledge of Allegiance showing the origin of the notorious stiff armed salute The Nazi salute was performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past Public officials in the USA who preceded the German socialist Hitler and the Italian socialist Mussolini were sources for the stiff armed salute and robotic chanting in those countries and other foreign countries Explore how the ancient Roman salute myth originated from the city of Rome in the state of New York not Italy Francis Bellamy s hometown Learn about Mussolini s strange gift to the city of Rome NY a statue of two human male infants suckling on a female wolf That statue remains on display in Rome NY See how Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere Discover how Stalin was forced to involuntarily join the allies during WWII Discover how the military salute was the origin of the Nazi salute Read why the Pledge of Allegiance would not be performed by anyone today other than oddballs if the truth were taught in school Find out who you are what you are and how you got to be that way Also learn who you should blame your teacher and the government s schools **Virus Discovery by Metagenomics: The (Im)possibilities** Bas E. Dutilh,Alejandro Reyes,Richard J. Hall,Katrine L. Whiteson,2017-10-25 Since the late 1800s the discovery of new viruses was a gradual process Viruses were described one by one using a suite of techniques such as electron microscopy and viral culture Investigators were usually interested in a disease state within an organism and expeditions in viral ecology were rare The advent of metagenomics using high throughput sequencing has revolutionized not only the rate of virus discovery but also the nature of the discoveries For example the viral ecology and etiology of many human diseases are being characterized non pathogenic viral commensals are ubiquitous and the description of environmental viromes is making progress This Frontiers in Virology Research Topic showcases how metagenomic and bioinformatic approaches have been combined to discover classify and characterize novel viruses Engendering the Buddhist State Ashley Thompson,2016-04-14 Drawing from more than a decade of field and archival research this monograph concerns Cambodian cultural history and historiography with an ultimate aim of broadening and deepening bases for understanding the Cambodian Theravadin politico cultural complex The book takes the form of an interdisciplinary analysis of performative and representational strategies for constituting social collectivities largely

developed at Angkor The analysis involves extended close readings of a wide range of cultural artefacts including epigraphic and manuscript texts sculpture and ritual practices The author proposes a critical re evaluation of dominant paradigms of Cambodian historiography in view of engendering new histories or hybrid histories which make room for previously absent perspectives and voices while developing new theoretical tools engaging with and partially derived from indigenous narrative practices in the broadest sense In this history making process the historical event is shown to never be entirely separable from its aesthetic representation Particular attention is paid to the roles of sexual difference in such re constructions of history The book presents a theory of power capable of accounting for the historical phenomena by which vernacular cultures appropriate subvert and submit to cosmopolitan forces It charts out a novel approach to the study of classical Southeast Asian materials and is of interest to students and scholars of Asian Art Religion and Philosophy Buddhism and Southeast Asian History *(Re)Constructing Memory: Education, Identity, and Conflict* Michelle J.
