Discovering Lehi New Evidence Of Lehi And Nephi In Arabia:

Discovering Lehi: New Evidence of Lehi and Nephi in Arabia Lynn M. Hilton, Hope A. Hilton, 2023-02-02 This fascinating Mormon odyssey was first commissioned by The Ensign But no mention was ever made in that work of the Lihyan Arabic transliteration for The People of Lehi civilization and the remarkable possibilities found in its Arabian ruins In addition to the Hilton s original research they have discovered volumes of new evidence and new possibilities The findings in this book may just be the sign saying I Lehi was here It is possible that Lehi and Nephi were actually great missionaries that they converted thousands as hinted at in D C 33 8 10 This new evidence suggests that Arabian converts of Nephi and Levi grew in number and influence and prospered as all civilizations of The Book of Mormon were promised over a period of 1000 years until they actually ruled Arabia for an additional 300 years This work may be the most remarkable evidence currently available that Levi and Nephi actually existed and may be the only research to date to actually pinpoint Book of Mormon locations with any degree of accuracy It is astounding that the city Nephi referred to as Nahum actually exists today as a city of ancient origins It conforms to the Book of Mormon description of the burial place of Ishmael and the point where they changed their direction of travel from south southeast to nearly eastward toward Bountiful Here within our very grasp may be the first physical and historical evidence that Lehi and Nephi lived breathed struggled and taught the gospel as marvelous and influential prophets of The Book of Mormon

In the Footsteps of Lehi Warren Peter Aston, Michaela Knoth Aston, 1994-01-01 [Index to Book Reviews in Religion](#), 1998 [Discovering Lehi](#) Lynn M. Hilton, 1996 *Ensign*, 2000 [The Worlds of Joseph Smith](#) John Woodland Welch, 2006 **BYU Studies** Brigham Young University, 2005 A voice for the community of LDS scholars [The Juvenile Instructor](#), 1879 *Lehi and Sariah in Arabia* Warren P. Aston, 2015-12-10 A 21st Century re examination of the most read book to emerge from the Western Hemisphere the Book of Mormon As Mormonism grows into a world faith the veracity of its founding scripture has never been more important The three decades of Arabian exploration reported in Lehi and Sariah in Arabia identifies specific locations for the 8 year journey described in the text allowing Nephi's account to emerge with new clarity and enhanced plausibility *The Improvement Era*, 1950 **Liahona, The Elders' Journal** Church of Jesus Christ of Latter-Day Saints, [The Nephites in Story](#) Joel Ricks, 1940 *Lehi in the Wilderness* George Potter, Richard Wellington, 2003 *An Abridgment of the Record of Lehi* William C. Chappell, 2002-01-22 Part I of this book gives an abridgment of the record of the prophet Lehi which was the first book engraved upon the gold plates of the Book of Mormon The original Book of Lehi which was translated by Joseph Smith in 1828 was stolen and became lost from the Book of Mormon Since that time they have simply been referred to as the lost 116 manuscript pages This plain abridgment of the record of Lehi answers several questions about the origin of the Book of Mormon For instance it explains the connection with Egypt revealing that Lehi was a Jew or rather an Israelite from the land of Egypt It reveals that Laban's plates of brass were actually Lehi's plates of brass that were made by his people in the land of Egypt As well it reveals that the land of their inheritance is simply their house and farm which was near Hebron in the land of Judea Since this is from the personal account of the record of Lehi he describes the nature and function of the Liahona the making and composition of the metal plates and their building the ship of Nephi at Bountiful Lehi further explains something about the characters of their language which were inscribed upon the metal plates The characters had been developed by his forefathers who were Israelites living in the land of Egypt which were unique to them and they cannot be proved to the world Part II of this book describes a simple and realistic model for the unknown geography of the Book of Mormon After all these years the actual geographic setting for the locations found in the Book of Mormon has not been understood If the account in the book is true

then there is a real geography to be found as well The author believes that he has discovered a simple and realistic answer to the question of the Book of Mormon geography The author has a testimony of the truthfulness of the Book of Mormon and believes that those were real lands and cities and events that were so faithfully recorded therein He wishes to make those places and events more realistic to people when they read and study the Book of Mormon *Discovering the Lehi-Nephi Trail* George Potter, Richard Wellington, 2000
