Benjamin Andrews, 1917 *Discovery of the Yosemite, and the Indian War of 1851, Which Led to That Event* Lafayette Houghton Bunnell, 2019-12-18 In *Discovery of the Yosemite and the Indian War of 1851 Which Led to That Event* Lafayette Houghton Bunnell presents a vivid account of the stunning Yosemite Valley and the turbulent events surrounding its discovery. Written in a compelling narrative style that intertwines personal observation with historical documentation, the book reflects the Romantic era's fascination with nature and the intermingling of exploration with conquest. Bunnell's descriptions not only evoke the breathtaking beauty of the landscape but also provide critical insight into the complexities of Indigenous relations during a pivotal period in American history. Bunnell, a member of the California State Geological Survey and a key figure in the 1851 expedition to Yosemite, offers a unique perspective shaped by his firsthand experiences. Having witnessed the tensions between Native American tribes and encroaching settlers, Bunnell's motivations stem from a profound curiosity about the land and a desire to document its beauty amidst the backdrop of conflict. His status as both a participant in the discovery and a chronicler gives his narrative authenticity and depth that resonates with contemporary readers. This book is recommended for anyone interested in American history, ecological narratives, and the cultural implications of discovery. Bunnell's work is a vital contribution to our understanding of this iconic landscape and its historical significance, making it an essential read for historians, environmentalists, and enthusiasts of the American West.

The War of the rebellion: a compilation of the official records of the Union and Confederate armies, prepared by R.N. Scott [and others]. 4 ser. 69 vols. [in 127 pt. 'Additions and corrections', dated 1902, have been inserted in the vols. With] Ser.1. Index to battles, campaigns, etc United States dept. of war, 1902 The War of the Rebellion United States. War Department, 1886 Official records produced by the armies of the United States and the Confederacy and the executive branches of their respective governments concerning the military operations of the Civil War and prisoners of war or prisoners of state. Also annual reports of military departments, calls for troops, correspondence between national and state governments, correspondence between Union and Confederate officials. The final volume includes a synopsis, general index, special index for various military divisions, and background information on how these documents were collected and published. Accompanied by an atlas.

Discovery of the Yosemite, and the Indian War of 1851, which Led to that Event Lafayette Houghton Bunnell, 1911 *United States from the Discovery of the North American Continent Up to the Present Time* Julian Hawthorne, 1904 Discovery of the Yosemite Lafayette Houghton Bunnell, 1880

The War of the Rebellion: v. 1-53 [serial no. 1-111] Formal reports, both Union and Confederate, of the first seizures of United States property in the southern states, and of all military operations in the field, with the correspondence, orders and returns relating specially thereto. 1880-98. 111v United States. War Department, 1883
