WORLD HISTORY THROUGH MAPS

A Map Study Book

Mapmakers for the 21st Century

The background of the book cover is a photograph of an ancient desert landscape. In the foreground, there is a circular stone structure, possibly a well or a small fortification, with a wooden pole leaning against it. In the background, there is a large, rectangular stone building with a small window, situated on a slight rise. The ground is sandy and reddish-brown, and the sky is a clear, bright blue. The overall scene suggests an ancient civilization in a desert environment.
