The Grace Filled Life Dr. Stephen R. Button, 2023-04-03 When Jesus said My grace is sufficient Christians often forget that grace is the predominant characteristic of their Christian experience and therefore tend to overlook how grace permeates every aspect of their life Were it not for grace we would still be lost in our sin unwilling to or incapable of enjoying the benefits of a relationship with Jesus I chose the word panoply to describe God s grace because grace is so overwhelmingly abundant and impressively available to the believer God s grace is more than sufficient It is abundantly available to all that belong to Him There is a reservoir of grace that will never empty Christ was saying there is nothing else that will compare with it nothing else that will replace it and nothing else that will embody it Grace is sufficient because there is nothing that can be added to it supplement it or enhance it Well written interesting and easy to read It presents a practical understanding and comprehensive application of grace to Christian believers daily lives written at times out of the crucible of personal experience It serves as a wonderful tribute to your Dad Dr Lloyd Button s life and ministry It also represents an incredible amount of careful thought and work I found it to be both clear and captivating Dr David Nicholas President Shasta Bible College Redding California *The Scribner Encyclopedia of American Lives: A-L* William L.
