**How Can I Find Someone to Disciple Me?** J. Garrett Kell, 2021-03-15 I eagerly commend this series R Albert Mohler Jr President The Southern Baptist Theological Seminary Many new believers have questions about what it means to live as a Christian in the context of a local church and pastors are looking for resources to pass along to their congregations to help them think biblically about the Christian life Church Questions is a series by 9Marks that seeks to provide Christians with sound and accessible biblical teaching by answering common questions about church life Each booklet offers biblical answers and practical applications with the goal of nurturing healthy church practice and commitment Discipleship is an important part of the Christian life As we follow Jesus we learn the importance of pointing unbelievers to Jesus and helping believers grow in their relationship with him But how do you know where to start In this addition to the Church Questions series Garrett Kell explores the Bible s teaching on discipleship and how that plays out practically in the context of the local church

**Handbook** Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature

follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts
