workbook leading the reader through a brief study of the overall Bible context zeroing in on who Jesus is and what it means to have a relationship with him There are few if any workbooks just like this on the market In its thirteen chapter the workbook covers the design of the Bible Biblical inspiration the story of the Bible understanding Jesus as Lord and Savior how to become a Christian how to live as a Christian living by the Holy Spirit and living in the Christian church community The workbook is designed to stimulate logical open minded thinking about scripture rather than simply teaching hard doctrinal conclusions It is designed to reach new students of Christ and the Bible as well as to challenge those with much more knowledge and experience Jesus Is There Carl Dodrill, 2023-04-13 Where was Jesus and what was he doing during the many centuries of Old Testament history If Jesus had personal contact with people only after being born in Bethlehem where was he for the hundreds of years while the Jewish people lived their lives suffered and struggled and were in need of direction and support If he really cares for people is it rational to believe that during that time he was not engaged at all in human history Using a fresh and little explored empirically based approach and resources including the Septuagint three keys are found which in the New Testament reliably distinguish the person and work of Christ from that of God the Father Guidelines for the use of the keys are established and these guidelines are then applied to 25 selected passages in the Old Testament where the divine is definitely at work When this is done the results clearly show that Jesus Is There at work in the Old Testament and doing far more with people than most of us ever thought You are invited to examine these in depth studies with the prospect that you may arrive at a truly broadened understanding of Jesus Christ Into the Questions Caren Goldman, Ted Voorhees, 2008-10-01 Offers reflections on how the words of a first century Jew can offer meaning hope and wholeness to readers today Across the Threshold into the Questions includes new encounters with Jesus and his parables and teachings from the Gospel stories in Mark Matthew and Luke This volume continues to build the strong foundation needed for another volume that uses Goldman and William Dols method to explore the non canonical Gospel of Thomas The Eternal Thread Carolyn Kady, 2024-07-09 Embark on a transformative journey through the Bible with The Eternal Thread Discovering Jesus in Every Book of the Bible This inspiring book reveals the presence of Jesus in every book of the Bible from Genesis to Revelation offering fresh insights personal reflections and contemporary applications Each chapter highlights key scripture passages devotional insights modern day applications prayer points and thought provoking questions to deepen your understanding and faith Accompanied by The Eternal Thread Workbook this comprehensive guide provides practical exercises reflection questions and prayer journals to help you apply the lessons learned in your daily life Whether you are a new believer or a seasoned Christian this book and workbook set will inspire and equip you to see Jesus throughout the entire Bible and grow in your relationship with Him Key Features Discover Jesus in every book of the Bible Fresh insights and contemporary application Practical exercises and reflection questions Prayer points and journals Ideal for personal or group study **Discovering Jesus** People With Books, 2024-08-27 Discovering
