and connect with the authors and other readers visit DiscoveringTheBibleSeries.com Discovering the Old Testament Gary S Maxey, 2020-08-12 The past fifty years have witnessed unprecedented growth in the African Church with a gradually blossoming international outreach extending far beyond the continent The global impact is beginning to be felt all around the world Yet two acute needs of the African Church continue to stare us in the face The first need is lack of excellent training for our leadership The second is the lack of excellent discipleship for new believers In both cases the need demands focused attention It is a sad fact that far more than one half of our leaders have no formal training And also far more than one half of those who become born again in Africa are never led on into any kind of serious discipleship This book is designed to address this second need for Christian discipleship in our African churches Discovering the Old Testament is the second book in the series entitled Teach Me Your Paths The first book New Life in Christ provides a great starting point for anyone seriously wishing to learn the ways of our God One cannot understand Bible doctrine correctly without obeying God and entering into personal relationship with the Lord John 7 17 1 Corinthians 2 14 Experiencing one's own new life in Christ should be the beginning of proper study of Christian doctrine In this second book we now take a journey through the first part of the Bible the Old Testament We begin with an overview of the Bible and some general issues before plunging into the thirty nine books that make up the Old Testament It is a well known fact that the Old Testament is of keen interest to Africans In many senses they find themselves more at home within the largely rural cultures of the Old Testament than do some other cultures around the world A grasp of the history and content of God's word as revealed in the Old Testament is very fundamental to our foundation in God's revelation We believe the present and future strength of the African Church will be far greater if we can hold this revelation very close to our hearts **Discovering 1 Kings and 2 Kings** Rob de Jongh, 2018-11-12 Short relevant and inspirational studies for each chapter of the Bible For speakers teachers parents and group leaders When Jesus taught us to pray give us today our daily bread he wasn't talking about food but the word and when God gave Israel manna in the wilderness the significance of it wasn't how it filled the tummy but to show how God would always provide daily spiritual meat for those that search for it To read the Bible is one thing but to teach it is quite another Many of us find ourselves having to teach the Bible either at home to our children or as lay teachers or ministers or group leaders It can be exhausting to try and find sustenance in sometimes impenetrable text of the old testament Using the Discovering the Old Testament series gives you a framework of Bible thoughts for each chapter of the Bible allowing you to start discussion create Bible talks and sermons or simply dig deeper in your own study About the series Short accessible studies referenced by chapter topic theme keywords or by individual verse Suitable for study group leaders lay preachers clergy and anyone needing a framework with which to teach the contents of the Bible Ideal to use to generate blog posts and longer articles Sourcebook for personal Bible studies and ongoing learning Dense information ready to unpack into short thoughts sermons Bible studies and talks of every kind Individual books combine to form a set covering the whole Old Testament of the Bible About the
