Discourse As Structure And Process:

Discourse as Structure and Process Teun A. van Dijk, 1997 What are the structures of discourse and what are the functions of these structures in the communicative context This volume explains how and why discourse is organized at various levels The multidisciplinary contributions illustrate that discourse analysis goes far beyond the linguistic answer of designing grammars and goes hand in hand with the study of their uses and functions in the social context Comprehensive and accessible the volume covers a huge variety of discourse genres including written and spoken and storytelling and argumentation The chapters also illustrate the necessity to examine the mental processes of the language users How do people go about producing understanding and remembering text or talk The book stresses that both discourse and its mental processing have a social basis and can only be fully understood in relation to social interaction

Cognitive Processes in Comprehension Marcel A.

Just, Patricia A. Carpenter, 2013-11-26 First published in 1978 Cognitive Processes in Comprehension is a look at what goes on in the mind of the listener or reader when he hears a sentence during a conversation or reads a passage in a book For most adults comprehension is rapid automatic and effortless But despite its apparent simplicity comprehension includes a myriad of subprocesses each of which by itself constitutes a formidable computational task
