# Discourse And Ideology In Nabokovs Prose

**Steven Belletto**

## **Discourse And Ideology In Nabokovs Prose:**

**Discourse and Ideology in Nabokov's Prose** David H. J. Larmour, 2003-08-29 The prose writings of Vladimir Nabokov form one of the most intriguing oeuvres of the twentieth century His novels which include *Invitation to a Beheading*, *Lolita* and  have been celebrated for their stylistic artistry their formal complexity and their unique treatment of themes of memory exile loss and desire This collection of essays offers readings of several novels as well as discussions of Nabokov's exchange of views about literature with Edmund Wilson and his place in the 1960s and contemporary popular culture The volume brings together a diverse group of Nabokovian readers of widely divergent scholarly backgrounds interests and approaches Together they shift the focus from the manipulative games of author and text to the restless and sometimes resistant reader and suggest new ways of enjoying these endlessly fascinating texts

**Discourse & Ideology in Nabokov's Prose , Teaching Nabokov's *Lolita* in the #MeToo Era** Elena Rakhimova-Sommers, 2021-03-11 Teaching Nabokov's *Lolita* in the MeToo Era seeks to critique the novel from the standpoint of its teachability to undergraduate and graduate students in the twenty first century The time has come to ask in the MeToo era and beyond how do we approach Nabokov's inflammatory masterpiece *Lolita* How do we read a novel that describes an unpardonable crime How do we balance analysis of *Lolita*'s brilliant language and aesthetic complexity with due attention to its troubling content This student focused volume offers practical and specific answers to these questions and includes suggestions for teaching the novel in conventional and online modalities Distinguished Nabokov scholars explore the multilayered nature of *Lolita* by sharing innovative assignments creative writing exercises methodologies of teaching the novel through film and theatre and new critical analyses and interpretations

**On Nabokov, Ayn Rand and the Libertarian Mind** Gene H. Bell-Villada, 2014-07-08 On Nabokov Ayn Rand and the Libertarian Mind not only conjoins two seemingly divergent authors but also takes on the larger picture of libertarian trends and ideologies These timely topics further intermingle with Bell Villada's own conflicted relationship personal cultural satirical literary to the odd pair and their ways of thinking The inclusion of Louis Begley's essay adds yet another dimension to this unique wide ranging meditation on art and politics history and memory

**Nabokov, Perversely** Eric Naiman, 2011-01-15 In an original and provocative reading of Vladimir Nabokov's work and the pleasures and perils to which its readers are subjected Eric Naiman explores the significance and consequences of Nabokov's insistence on bringing the issue of art's essential perversity to the fore Nabokov's fiction is notorious for the interpretive panic it occasions in its readers the sense that no matter how hard he or she tries the reader has not gotten Nabokov right At the same time the fictions abound with characters who might be labeled perverts and questions of sexuality lurk everywhere Naiman argues that the sexual and the interpretive are so bound together in Nabokov's stories and novels that the reader confronts the fear that there is no stable line between good reading and overreading and that reading Nabokov well is beset by the exhilaration and performance anxiety more frequently associated with questions of sexuality than of literature Nabokov's fictions pervert

their readers obligingly training them to twist and turn the text in order to puzzle out its meanings so that they become not better people but closer readers assuming all the impudence and potential for shame that sexually oriented close looking entails In Nabokov Perversely Naiman traces the connections between sex and interpretation in *Lolita* which he reads as a perverse work of Shakespeare scholarship Pnin Bend Sinister and Ada He examines the roots of perverse reading in *The Defense* and charts the enhanced attention to the connection between sex and metafiction in works translated from the Russian He also takes on books by other authors such as *Reading Lolita in Tehran* that misguidedly incorporate Nabokov's writing within frameworks of moral usefulness In a final extraordinary chapter Naiman reads Dostoevsky's *The Double* with Nabokov trained eyes making clear the power a strong writer can exert on readers

**Nabokov's Women** Elena Rakhimova-Sommers, 2017-10-15 Nabokov's *Women: The Silent Sisterhood of Textual Nomads* is the first book length study to focus on Nabokov's relationship with his heroines Essays by distinguished Nabokov scholars explore the multilayered and nomadic nature of Nabokov's women their voice and voicelessness their absentness the paradigm of power and sacrifice within which they are situated the paradox of their unattainability their complex relationship with textual borders the travel narrative with the author himself By design Nabokov's woman is often assigned a short term tourist visa with a firm expiration date Her departure is facilitated by death or involuntary absence which watermarks her into the male protagonist's narrative granting him an artistic release or a gift of self understanding When she leaves the stage her portrait remains ambiguous She can be powerfully enigmatic but not self actualized enough to be dynamic or for even where the terms of her existence are deeply considered or her image beheld reverently her recognition seems to be limited to the Works Cited register of the male narrator's personal life As a result Nabokov's texts often feature a nomadic woman who seems to live without a narratorial homeland papers of her own or storytelling privileges This volume explores the residency status of Nabokov's silent nomads his fleeting lovers witches muses mermaids and nymphets As Nabokov scholars analyze the power dynamic of the writer's narrative of male desire they ponder are these female characters directionless wanderers or covert operatives in the terrain of Nabokov's text Whereas each essay addresses a different aspect of Nabokov's artistic relationship with the feminine together they explore the politics of representation authorization and voicelessness This collection offers new ways of reading and teaching Nabokov and is poised to appeal to a wide range of student and scholarly audiences

Chapter 4 Nabokov's *Mermaid Spring* in *Fialta* by Elena Rakhimova-Sommers is not available in the ebook format due to digital rights restrictions You can find the earlier version of the chapter in the journal *Nabokov Studies*

*Figurations of Exile in Hitchcock and Nabokov* Barbara Straumann, 2008-12-16 This book makes an important contribution to cultural analysis by opening up the work of two canonical authors to issues of exile and migration Barbara Straumann's close reading of selected films and literary texts focuses on *Speak Memory* *Lolita* *The Real Life of Sebastian Knight* *Suspicion* *North by Northwest* and *Shadow of a Doubt* and explores the connections between language imagination and exile Invoking

psychoanalysis as the principal discourse of dislocation the book not only uses concepts such as screen memory family romance fantasy and the uncanny as hermeneutic foils it also argues that in their own ways the arch parodists Hitchcock and Nabokov are remarkably in tune with the images and tropes developed by Freud *The Nabokovian*, 2004 Approaches to Teaching Nabokov's *Lolita* Zoran Kuzmanovich, Galya Diment, 2008 Widely considered one of the twentieth century's great novels *Lolita* maintains an established place on the syllabus Yet its mix of narrative strategies ornate allusive prose and troublesome subject matter complicates its presentation to students This volume helps instructors make *Lolita* accessible to students Part 1 opens with an extensive chronology of the author's life outlines the novel's convoluted publication history and identifies useful textual and audiovisual Part 2 concentrates on the novel's ethical quandries and introduces its textual intricacies **The Artistic Censoring of Sexuality** Susan Mooney, 2008 Through the twentieth century from colonial Ireland to the United States and from Franco's Spain to late Soviet Russia to include sexuality in a novel signaled social progressiveness and artistic innovation but also transgression Certain novelists such as James Joyce Vladimir Nabokov Luis Mart n Santos and Viktor Erofeev radicalized the content of the novel by incorporating sexual thoughts situations and fantasies and thus portraying repressed areas of social cultural political and mental life In *The Artistic Censoring of Sexuality* Fantasy and Judgment in the Twentieth Century Novel Susan Mooney extensively examines four modernist and postmodernist novels that prompted in their day harsh external censorship because of their sexual content *Ulysses* *Lolita* *Time of Silence* and *Russian Beauty* She shows how motifs of censorship with all its restrictions pressures rules judgments and forms of negation became artistically embedded in the novels plots characters settings tropes and themes These novels contest censorship's status quo and critically explore its processes and power This study reveals the impact of censorship on literary creation particularly in relation to the twentieth century's growing interest in sexuality and its discourses

*American Literary Scholarship* James Leslie Woodress, 1965 **ELH.**, 2006 A journal of English literary history 1934 1955 *Chance and Design in Cold War American Narrative* Steven Belletto, 2006 **The Archaeology of Anxiety** Galina Rylkova, 2007 The Silver Age c 1890 1917 has been one of the most intensely studied topics in Russian literary studies and for years scholars have been struggling with its precise definition Firmly established in the Russian cultural psyche it continues to influence both literature and mass media *The Archaeology of Anxiety* is the first extended analysis of why the Silver Age occupies such prominence in Russian collective consciousness Galina Rylkova examines the Silver Age as a cultural construct the byproduct of an anxiety that permeated society in reaction to the social political and cultural upheavals brought on by the Bolshevik Revolution the fall of the Romanovs the Civil War and Stalin's Great Terror Rylkova's astute analysis of writings by Anna Akhmatova Vladimir Nabokov Boris Pasternak and Victor Erofeev reveals how the construct of the Silver Age was perpetuated and ingrained Rylkova explores not only the Silver Age's importance to Russia's cultural identity but also the sustainability of this phenomenon In so doing she positions the Silver Age as an essential element to
