

Discovering Britain & Ireland

Discovering Britain Ireland

Daniel F McAuley

Discovering Britain Ireland:

Discovering Britain & Ireland National Geographic Book Service, 1985 Each of twelve chapters describes the people and unique features of twelve areas of England Wales Scotland and Ireland

Discovering Britain & Ireland Jonathan B. Tourtellot, 1985 Each of twelve chapters describes the people and unique features of twelve areas of England Wales Scotland and Ireland

Discovering Britain and Ireland in the Romantic Period James Watt, Alison O'Byrne, 2025-03-27 Even as members of the social elite participated in the European Grand Tour travellers writers and readers increasingly recognized that Britain and Ireland might offer sights and experiences to rival the continent This collection examines the practice and representation of tourism on home ground during the period when modern Britain was invented and became a powerful and prosperous imperial nation Interdisciplinary essays explore the diverse variety of tours and tourist agendas artistic industrial leisure scientific and they address the ways in which travellers discovery of Britain and Ireland was an active and often self critical process that potentially encompassed encounters with the alien and unfamiliar Considering travellers from the wider world as well as from within Britain and Ireland contributors discuss the function of comparative reference in contemporary travel writing as tourists often thought with and through others as they reflected on the distinctiveness and significance of the sites that they visited

Exploring Britain's Hidden World Keith Hiscock, 2022-01-11 Britain's shallow seas are a mysterious domain They remain largely unseen and unexplored except by marine scientists and divers who have been documenting their wondrous discoveries over many years Now a wealth of information about what lives on and in the seabed has been brought together in one sumptuously illustrated volume Keith Hiscock describes the incredible variety of marine life that exists around Great Britain providing a foundation of knowledge for those interested in the natural history of the shallow seabed He explains how findings are gathered and organised as well as showing what is out there and how it works Fascinating beautiful and often fragile the habitats and marine life described are essential to the health and productivity of our oceans Without an adequate shared understanding of what and where they are how can we identify and protect them Exploring Britain's Hidden World is the culmination of 50 years of research by the author to better understand where different subtidal seabed habitats occur and how their associated marine life has come to exist That quest draws on a rich vein of knowledge obtained by many naturalists scientists and divers who for almost 200 years have described seabed communities and sought to understand their structure and function Using a minimum of technical terminology Keith Hiscock combines his interests in marine biology diving and photography to inform inspire and leave a vivid and lasting impression of the marine habitats and species around Britain He hopes this book will provide new insights much pleasure and perhaps some surprises too

Discovering British Literature in Bits and Bytes Carolyn M. Johnson, 2017-08-21 An introduction British Literature through the internet for use with secondary school and beginning college or university students for basic curriculum or extracurricular lessons or online literature courses basic or supplementary with primary and authoritative

online documents both digital copies of complete texts of or selected reproduced excerpts from novels short stories poetry and essays plus scholarly commentaries at authoritative Web sites provided by educational institutions professional organizations and people who are experts in their field Guided by Common Core principles accompanying questions and activities aim to promote critical thinking skills Let's Go ,2003 Exploring Britain British Tourist Authority,1991-09

Let's Go: the Budget Guide to Britain and Ireland ,1990 **Tourism Distribution** Berendien Lubbe,2000 Travel distribution has become one of the most talked about subjects in the tourism industry since technological advances have opened new channels and opportunities for suppliers of tourism travel intermediaries and consumers While technological advances have brought about dramatic changes so too has the consolidation of organisations both in the airline and travel industries These changes are transforming the industry and while travel agents will remain key players in distribution their fundamental role will probably change from supplier biased intermediaries to consumer biased consultants **The National Geographic Magazine** ,1989 **Discover British Virgin Islands** O.E.C.S. (Organization). Meeting,1987 *A History of the United States from the Discovery of the American Continent to the Present Time. With a Full Account of the National Centennial Celebration* Benson John Lossing,1875 **The History of Canada from Its First Discovery to the Present Time [1892]** John Mercier McMullen,1893 The Real King Arthur Peter F. J. Turner,1993 *The Discovery of Australia* George Arnold Wood,1922 History of the United States of America, from the Discovery of the Continent George Bancroft,1888 *History of the United States from the Discovery of the American Continent* George Bancroft,1876 *A Dictionary of Books Relating to America, from Its Discovery to the Present Time* ,1870 History of the United States of America, from the Discovery of the Continent [to 1789] George Bancroft,1876 Toil, Travel, and Discovery in British New Guinea Theodore Francis Bevan,1890
