## **Discovering Biblical Equality:**

Discovering Biblical Equality Ronald W. Pierce, Cynthia Long Westfall, Christa L. McKirland, 2021-11-02 The conversation about gender roles in Christian life and the church has evolved but the topic continues to inspire debate and disagreement Now in its third edition this fresh positive defense of gender equality brings together scholars firmly committed to the authority of Scripture to explore historical biblical theological cultural and practical aspects of this discussion

**Discovering Biblical Equality** Ronald W. Pierce, Rebecca Merrill Groothuis, Gordon D. Fee, 2005-07-25 Ronald W Pierce and Rebecca Merrill Groothuis general editors with the aid of Gordon D Fee contributing editor assemble a distinguished array of twenty six evangelical scholars firmly committed to the authority of Scripture who offer a fresh positive up to date defense of biblical equality

Discovering Biblical Equality Ronald W. Pierce, Rebecca Merrill Groothuis, Gordon D. Fee, 2005-01 **The Oxford Handbook of Evangelical Theology** Gerald McDermott, 2010 Evangelical theology is a burgeoning field This volume surveys the state of the discipline on topics of greatest importance to evangelical theology Each chapter has been written by a theologian or scholar who is widely recognized for his or her published work and is considered a leading thinker on that topic

**Beyond the Evangelical Gender Roles Gridlock** Paul J. Palma, 2024-11-30 Present day Evangelicalism represents a microcosm of broader tensions over male and female gender roles with some denominations carefully delimiting women leadership roles especially the female pastor and many others supporting them The letters attributed to Paul the Apostle contain several divisive passages on the meaning of manhood and womanhood Dated and dubious readings of these have led some Christians and non Christians alike to conclude that Paul wrote with misogynistic intent Others quote them to justify Christian patriarchalism **Beyond the Evangelical Gender Roles Gridlock** Reimagining Paul s Views on Women Marriage and Ministry reassesses what Paul said about women reinterpreting his claims on marriage and ministry leadership in light of his first century worldview This book proposes a nuanced theological egalitarian approach with significant implications for renewing twenty first century congregations homes and society

*Discovering Biblical Equality* Ronald W. Pierce, Rebecca Merrill Groothuis, Gordon D. Fee, 2012-11-30 Discussions surrounding the roles of men and women whether in the church the home or society at large never seem to end often generating more heat than light Such debate is still important though because this issue directly affects every member of Christ s body What we believe the Bible teaches on these matters shapes nearly all we do in the church In addition these questions deserve further thought and reflection because neither side has won the day In an effort to further discussion Ronald W Pierce and Rebecca Merrill Groothuis general editors with the aid of Gordon D Fee contributing editor have assembled a distinguished array of twenty six evangelical scholars firmly committed to the authority of Scripture to explore the whole range of issues historical biblical theological hermeneutical and practical While dispelling many of the myths surrounding biblical equality they offer a sound reasoned case that affirms the complementarity of the sexes without requiring a hierarchy of roles Contributors include Ruth

A Tucker Janette Hassey Richard S Hess Linda L Belleville A da Besan on Spencer Craig S Keener I Howard Marshall Peter H Davids Walter L Liefeld Stanley J Grenz Kevin Giles Roger Nicole William J Webb Sulia Mason Karen Mason Joan Burgess Winfrey Judith K Balswick Jack O Balswick Cynthia Neal Kimball Mimi Haddad Alvera Micklesen R K McGregor Wright and Alice P Mathews Here is a fresh positive defense of biblical equality that is at once scholarly and practical irenic and yet spirited up to date and cognizant of opposing positions     **Exploring the New Testament in Asia** Samson L.

Uytanlet,Bennet Lawrence,2024-08-31 There is a growing recognition that God s design is for us to read Scripture alongside the whole church in all of its cultural and linguistic diversity Exploring the New Testament in Asia is a textbook for students and scholars of the New Testament to help the church hear and see the good news of Jesus anew This collection of essays offers theological reflections on New Testament themes from Asian perspectives while addressing contextual issues in light of the New Testament Touching on topics such as salvation holiness poverty ethnic tensions reconciliation honoring elders persecution and hospitality the scholars in this book demonstrate the importance of a varied contemporary context for understanding the New Testament The result is a theological contribution that is both contextually relevant and biblically faithful     **Who Leads?** Jane L. Crane,2024-05-03 A concise updated summary of top Bible scholars on male female leadership focusing on facts rather than theories and leaving conclusions to the reader Includes a fascinating look at ancient texts Bible translations through the centuries and early church actions on women leaders Academically sound but written for the average reader A quick read of about three hours backed up with references to more than 100 leading scholars     *The*

**2 Volume Set** Douglas D. Webster,2012-08-13 If you have picked up this book chances are you are a committed follower of Christ Like many searching Christians you are tired of religious busywork and showy piety You long for authentic worship and meaningful service You came to Christ with deep expectations of transformation and service but those passions have been starved by shallow theology and superficial relationships You are looking for something more You are ready to sink your mind into what the Bible says about the call of God the priesthood of all believers and what it means to live for Christ and his

kingdom The two volume Living in Tension offers in depth spiritual direction on the crucial issues shaping a theology of ministry This is not a book for pastors only Webster intentionally blurs the distinction between pastor and congregation This book is for all believers who take God s call to salvation service sacrifice and simplicity seriously Living in Tension provides need to know insights for every congregation Pastors will find that this passionate and practical theology translates well into their own lives and into the life of the church

**Evangelical Feminism?** Wayne Grudem,2006-09-13 By critically examining the writings of egalitarians Grudem shows that while egalitarian leaders claim to be subject to Scripture in their thinking what is increasingly evident in their actual scholarship and practice is an effective rejection of the authority of Scripture Egalitarianism is heading toward an Adam who is neither male nor female a Jesus whose manhood is not important and a God who is both Father and Mother and then maybe only Mother The common denominator in all of this is a persistent undermining of the authority of Scripture in our lives Grudem s conclusion is that we must choose either evangelical feminism or biblical truth We can t have it both ways

*Women and the Curse* Rodney L. Thomas,2022-10-16 The book explores the matter of sexuality from the creation into the long history of Judaism and the church In this book I highlight how many of the preconceived notions of how God perceives women and roles that He has for them are not the way most people that attend our churches perceive them We have been dramatically effected by Greek thoughts regarding women and have also been dominated in our thinking by warfare mentality The value of a person has been weighted by their ability to wage war Even in this arena there are women who have proven their giftedness and their skill I believe that if you carefully examine the matters set out in this book you will come to understand that so much of the evidence for the role of women in the church is based upon flimsy and biased evidence If you open your heart and mind I believe this book can help you to see a new way forward in helping the church promote the spirit of unity and respect between human beings that God desires and has Himself

**The Emotionally Abusive Mindset** Anne Dryburgh,2023-02-07 How this book can help you This book is a resource which provides insights into what emotional abuse looks like across a spectrum of relationships It considers how someone with an abusive way of thinking tends to operate The book does not cover physical or sexual abuse but is designed to give some key basic information It would be helpful if other people would take these insights and explore biblical answers for helping them in an in depth manner The author s hope is that this book will help open this discussion Praise for The Emotionally Abusive Mindset The Emotionally Abusive Mindset is written from the heart of a seasoned biblical counselor Anne Dryburgh The third book in her Overcoming Emotional Abuse series dives deeper into recognizing the mind frame of the abuser and the victim in various relationships Her insights evoke a depth of discernment coupled with understanding and sympathy for those caught in the destruction of emotional abuse This book will help pastors and biblical counselors obtain the biblical acumen to recognize abusive relationships and give sound counsel that produces a transformational change in Christ Shannon Kay McCoy Certified Biblical Counselor Biblical Counseling Director Valley Center Community Church

Council Member of Biblical Counseling Coalition Author of *Help I'm A Slave to Food* In an engaging and truly readable style Anne manages to present complex issues in an accessible way Anne explores what an abusive mindset actually looks like not just in clear definitions but through examples and story The second part of the book is especially helpful showing that in Christ there is true hope for everyone But Anne does not leave this hope as some ethereal aim rather she grounds it in real and practical ideas As with the other books in this series it will prove to be a valuable resource for both professionals and non professionals alike as well as providing victims and perpetrators of abuse a guide as to how to live out a truly godly life Simon Marshall International Director European Christian Mission For a concise biblically focused response to emotional abuse this is your book Anne Dryburgh aptly presents various expressions of spousal parent sibling disabled spiritual and elderly abuse Then navigating with biblical skill in a complex arena she identifies common well intentioned behavioral and spiritual mistakes and debunks the misuse of Scripture Based upon the relational functional and substantive callings of every believer which are carefully explained *The Emotionally Abusive Mindset* champions the choice to honor God rather than yielding to an abuser's desires This book packs a powerfully hopeful worldview into 100 pages A helpful tool for abuse survivors and their counselors Sue Nicewander Delaney MABC ACBC Anne has done it again Her writing is perspicuous theologically accurate and practical If you think you might be being abused by a boyfriend or girlfriend a spouse or a spiritual leader this small book may help you confirm or disconfirm your perception If you are a pastor or counselor wondering if you are dealing with a case of abuse or if an elder or deacon has an abusive mindset Anne can come to your rescue Howard Eyrich MA ThM D Min

Pierce,Karen R. Keen,2025-08-26 Has your faith community been torn apart over sexuality and gender While affirming and traditionalist Christians wage culture wars many believers have left the church entirely because of disputes over how to best respond to LGBTQ people Ronald Pierce and Karen Keen show readers a different way to approach the controversy In *Christlike Acceptance across Deep Difference* they bring together a broad range of contributors scholarly and pastoral affirming and traditionalist evangelical mainline and Catholic who demonstrate a more constructive response to LGBTQ concerns Despite their differences the contributors unite in their commitment to biblical authority and Christlike love of neighbor They invite the church to join them in this new and better way This book offers fresh readings of Scripture models of respectful dialogue and first person insights into ministering to LGBTQ people Perfect for pastors church leaders and any Christian worried about polarization this timely volume shows readers how to forge a future shaped by Christlike acceptance

Good News for Women Rebecca Groothuis,1996-12-01 Most evangelical discussion of the gender issue has been spent in feverish debate over the exegetical intricacies of the traditional prooftexts writes Rebecca Merrill Groothuis And though faithful exegesis is certainly crucial a myopic fixation on a handful of controversial biblical texts will not ultimately resolve the gender debate In *Good News for Women* Groothuis looks at the Big Picture the overall outline of biblical teaching on relationships between men and women This provides the foundation for examining the passages specifically relating to gender issues Written with the razor sharp insight that prompted critical acclaim for Groothuis first book *Good News for Women* shows that the broad sweep of biblical thought aligns more readily with gender equality than gender hierarchy traditionalist prooftexts do not present an open and shut case in favor of universal male authority the traditionalist agenda on gender issues is neither helpful nor healthy for Christian women today      **Mending a Torn World** Maura O'Neill,2007 Maura O'Neill explores what happens when women of different faiths and varying positions on an ideological spectrum enter into both inter and intra religious dialogue on issues of concern to us all      **American Book Publishing Record** ,2003
