Discovering Place Ernest Lee, Lee, 1994-07-01 **Discovering Place** Ernest Lee, 1997-07 A book of readings for courses in freshman composition or literature **Experimentation and Versatility** Casey Clabough, 2005 Experimentation and Versatility considers Chappell's first four novels and his short fiction the novels chronologically and the short stories thematically in order to demonstrate the unique range and importance of his fictional prose Rather than inserting Chappell's fictional variables into a single theoretical formula Clabough traces and celebrates their various and multifaceted excursions into genres as disparate as Appalachian pastoralism and experimental science fiction Containing both an interview with Chappell and a previously unpublished short story Experimentation and Versatility also offers new primary sources on Chappell's work even as it contextualizes him as one of our most exciting and multi-talented contemporary writers Investigating the complexities of Chappell's work Clabough's study offers new ways of considering Chappell who has been characterized variously as a Appalachian Southern and fantasy writer However as Clabough demonstrates he is in fact all and none of these things a writer of immense gifts constantly reinventing himself through his experiments in seemingly disparate genres
