## **Discovery In Russian And Siberian Waters:**

Discovery in Russian and Siberian Waters Leslie H. Neatby,1973 History of exploration of Russian arctic 1553 1928

Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America Robin Inglis,2008-04-02 The Northwest Coast of America ranging from northern California through Oregon Washington and British Columbia all the way up to Alaska was the last temperate coastline to be placed on the world map First visited by Russians in 1741 and thought to contain a navigable passage between the Pacific and the Atlantic it was systematically revealed during an intense period of exploratory and commercial activity from the 1770s to the 1790s Subsequently the imperial ambitions of Russia Spain and Britain and an assumption of manifest destiny by the United States led to further exploration and ensured that the region would become disputed territory before national boundaries were determined in the mid 19th century The Historical Dictionary of the Discovery and Exploration of the Northwest Coast of America tells of the heroic endeavors and remarkable achievements the endless speculation about a northwest passage and the fighting and manipulation for commercial advantage that surrounded this terrain This is done through an introductory essay a detailed chronology an extensive bibliography modern maps and selected historical maps and drawings and over 400 cross referenced dictionary entries Entries cover the native people encountered the scientists and artists who left an invaluable documentary and visual record of people places flora and fauna the numerous voyages taken by men such as Vitus Bering James Cook Juan Francisco de la Bodega y Quadra and George Vancouver overland expeditions like those of Alexander Mackenzie Simon Fraser Meriwether Lewis and William Clark and David Thompson and maritime fur traders including George Dixon Grigorii Shelikhov Robert Gray and William Sturgis No other dictionary exists that is dedicated solely to the coverage of this region **From Northeast Passage to Northern Sea Route** ,2022-09-12 The notion of a waterway north of Eurasia conceived in the first half of the sixteenth century remained only a dream for centuries due to ice unmapped coastlines and a lack of geographical knowledge This volume is the first comprehensive scholarly account in English of the slow but steady exploration and commercial exploitation of the Siberian coastal waters and it proves that this was a truly international endeavour However in the end the Northern Sea Route as a through traverse route came to be used primarily by the Soviet Union for which it became a crucial vehicle for the geopolitical and economic integration of its vast territories As an international trade route the Northern Sea Route is only today about to win its way essentially as a result of global warming This being the case should we rejoice or despair *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1976 Travel Legend and Lore Ronald H. Fritze,1998 Travel Legend and Lore is your Baedeker More than 200 A to Z entries each with leads to further reading transport you to the places real and imaginary that have lured armchair travelers for millennia from the ancient Greeks to the American pioneers And the places are inhabited by humans and the not so human Encyclopedia of Russian History John Paxton,1993 The alphabetically arranged entries lead readers to subjects as diverse as art law

philosophy and religion The text defines various terms explores the lives of influential artists politicians propagandists writers and royal figures and provides vital information on Russia's past and current geographical boundaries Features of the book include more than 2 500 encyclopedia entries that are cross referenced and where appropriate include suggestions for further reading a quick reference chronology that tracks the important events in Russian history up to the time the volume went to press a map reference section that features major cities states principalities and historically significant neighboring dominions Siberia, Siberia Valentin Rasputin,1996-07-31 In attempting to characterize this vast land as a whole Rasputin begins with Yermak whose Cossack detachments crossed the Ural Mountains into Siberia in the 1580s and traces the rapid Russian exploration conquest and colonization of Siberia through the centuries to today He looks at the peculiar physical and character traits of the Siberian Russian type and at the gap between dreams and reality that has plagued Russians in Siberia

*The Voyage of Semen Dezhnev in 1648* Raymond Henry Fisher,1981 Account of expedition anticipating Bering in discovery of Asia's easternmost extremity and first to sail through Bering Strait *Eighteenth Century Russia* Philip Clendenning,Roger P. Bartlett,1981 **Encounters with a Distant Land** Carlos A. Schwantes,Evelyn Pickett,1994 Presents essays examining the topic from a variety of perspectives from the August 1988 symposium The essays analyze individual nations involvement in exploration the role of Native Americans in the encounter experience artwork resulting from expeditions and the process of publishing exploration history Includes bandw photos and illustrations Annotation copyright by Book News Inc Portland OR The Soviet Maritime Arctic Lawson W. Brigham,1991 This collection of 17 papers on the Soviet North includes exploration sea ice petroleum resources the Northern Sea Route and commercial shipping strategic defence and sovereignty issues international cooperation and Soviet policies in the Arctic and Antarctic Includes appendices of policy announcements and decrees international agreements and participation in international arrangements *Development of the Russian North* John Hannigan,1992 A bibliography of materials on the Russian North covering the areas of history economic development aboriginal peoples environmental and international relations

**Russia's American Colony** S. Frederick Starr,1987 American Canadian and Soviet scholars gathered in Sitka under the auspices of the Kenan Institute to review and reinterpret the history of tsarist Russia's colonial outpost in Alaska The result is this comprehensive examination of that history which goes beyond the traditional concentration on political and diplomatic history by treating the economy society and culture of Alaska during the Russian period **The Earth and Its Inhabitants**

**...: Asiatic Russia: Caucasia, Aralo-Caspian basin, Siberia** Elisée Reclus,1884 Nature ,1881 *Bulletin of the American Geographical Society of New York* ,1896 **Journal of the American Geographical Society of New York** ,1896

Bering's Voyages Gerard Fridrikh Miller,1986 First translated account of the travels round the shores of Bristol Bay of two P Korsakovskiy 1818 and I Ya Vasilev 1829 Contains useful information on the region's ethnography natural history and geography as well as observations important to the development of the fur trade Maps included The World Since 1500
