

Do's and Don'ts: Communicating with a Person Who Has Alzheimer's Disease

People with Alzheimer's may struggle to find the right word when speaking and may forget what they were saying. Remember to be patient. Here are some do's and don'ts to keep in mind.

| Do | Don't |
|---|---|
|  Make eye contact and use the person's name. |  Exclude the person from conversations. |
|  Listen and be open to the person's concerns. |  Speak with an angry or tense tone. |
|  Allow extra time for the person to respond. |  Talk about the person as if they are not there. |
|  Try using different words if the person doesn't understand what you say the first time. |  Interrupt or argue with the person. |
|  Ask yes or no questions: "Would you like some tea?" rather than "What would you like to drink?" |  Ask the person whether they remember something or someone. |

Coping With Communication Challenges In Alzheimer Disease:

Coping with Communication Challenges in Alzheimer's Disease Marie T. Rau, 1993 This book was written by caregivers of people suffering from Alzheimer's disease and similar progressive dementias One of the cognitive functions affected by progressive dementia is communication The author's intent in writing this book was to help caregivers understand the importance of communication how it changes with the progression of Alzheimer's disease and what can be done to facilitate good communication between them and their member suffering from the disease Strategies are provided that take into consideration the communicative abilities and difficulties at the three stages of the disease It also addresses communication between family members and health care professions and among concerned family members and friends The insightful and thoughtful recommendations will help caregivers cope with the changes in their loved one more effectively and successfully This book should be of interest to nurses doctors occupational and physical therapists social workers

psychiatrists psychologists speech language pathologists health care administrators and long term care directors **Coping with Alzheimer's Disease and Other Dementing Illnesses** Mary Norton Kindig, Molly Carnes, 1993 Introduction by Susan Cheever Commentary by G K Chesterton Katherine Fullerton Gerould and Madeleine B Stern It is no surprise that *Little Women* the adored classic of four devoted sisters was loosely based on Louisa May Alcott's own life In fact Alcott drew from her own personality to create a heroine unlike any seen before Jo willful headstrong and undoubtedly the backbone of the March family Follow the sisters from innocent adolescence to sage adulthood with all the joy and sorrow of life in between and fall in love with them and this endearing story Praised by Madeleine Stern as a book on the American home and hence universal in its appeal *Little Women* has been an avidly read tale for generations This Modern Library edition includes notes that offer more description and insight than those of previous editions Includes a Modern Library Reading Group Guide

Guide to Ministering to Alzheimer's Patients and Their Families Pat Otwell, 2008-05-19 Learn how to develop an effective Alzheimer's ministry The *Guide to Ministering to Alzheimer's Patients and Their Families* examines the importance of spirituality in dealing with the everyday challenges of this mysterious disease Not a how to manual with step by step instructions or tried and true formulas this unique book instead examines the essential elements of ministering to dementia patients based on the first hand accounts of family members living through pain and uncertainty The book explores the stages of Alzheimer's grief and guilt available resources and implications of spiritual care for patients and families It is equally useful as a textbook for graduate and undergraduate work a reference for study groups and seminars and a primer for those with limited knowledge of the illness Ministers sometimes neglect Alzheimer's patients and their families because they feel they don't know what to say or do even though they want to be obedient and faithful servants in this specialized ministry The *Guide to Ministering to Alzheimer's Patients and Their Families* communicates the thoughts feelings and needs of those affected by the disease to help ministers feel more comfortable confident and competent as they develop a
