Corporate Flight The Causes And Consequences Of Economic Dislocation:

Corporate Flight Barry Bluestone, Bennett Harrison, Lawrence Baker, 1981 **The Anatomy of Job Loss (Routledge Revivals)** Doreen Massey, Richard Meegan, 2014-11-06 Job loss is one of the most important issues in the capitalist world today endless reports document the increasing scale of unemployment This title first published in 1982 adopted a new approach to the geography of job loss to assess why redundancy happens and where Massey and Meegan argue that an increase in dismissal does not necessarily mean that an industry is in decline rather it can be the result of a variety of issues including production for profit and the relationship between industry and location Throughout the book discussions about theory and methodology are complemented by industry based case studies This title addresses issues of particular relevance to today's economic climate and will be particularly valuable to students with an interest in employment and job loss and industrial labour and profitability *Economic Issues Today* Robert B. Carson, Wade L. Thomas, Jason Hecht, 2015-03-04 Written in non technical everyday language that is accessible to the undergraduate audience and requiring no background in economic analysis this acclaimed text provides a unique approach to understanding what the practice of economics is all about The authors address fourteen current economic issues covering both micro and macro economics and offer analyses and proposed solutions for each from Conservative Liberal and Radical perspectives This new edition incorporates critical changes in economic policy since the last edition that affect every issue covered in the text Tables have been updated throughout to include current economic data and an all new section on social policy frames the current debate about the Social Security system The book's unique approach stimulates critical thinking on everyday issues that traditional texts either ignore or present as settled debates It helps students to understand the dual role that ideology and logical empirical argumentation play in economics Issues are presented as stand alone subjects that can be read in any sequence and used to supplement a wide range of principles of economics texts An instructor's manual with a test bank and discussion questions is available to professors who adopt the text and Power Point downloads are available as teaching aids The text is also available in two separate volumes Microeconomics Today and Macroeconomics Today **Economic Geography** Sharmistha Bagchi-Sen, Helen Lawton-Smith, 2006-09-27 The impact of economic geography both within and beyond the wider field of geography has been constrained in the past by its own limitations Drawing together the work of several eminent geographers this superb collection assesses the current state of knowledge in the sub discipline and its future direction In doing so the contributors show how economic geographers have offered explanations that affect places and lives in the broader context of the global economy Offering a discussion of theoretical constructs and methodologies with the purpose to show the need to combine different approaches in understanding spatial inter dependencies contributors also demonstrate the need to engage with multiple audiences and within this context they proceed to examine how geographers have interfaced with businesses and policy This excellent collection moves economic geography from a preoccupation with theory towards more rigorous

empirical research with greater relevance for public policy With excellent breadth of coverage it provides an outstanding introduction to research topics and approaches **Planning Local Economic Development** Nancey Green

Leigh,2024-11-06 Author Nancey Green Leigh brings years of academic and professional experience to this classic text which offers a comprehensive look at the basic tenets of local economic development planning The book explores the theories of local economic development while addressing the issues and opportunities faced by cities towns and local entities in crafting their economic destinies within the global economy The new Seventh Edition is updated with an increased focus on sustainability and equity including local economic development issues arising from the global COVID 19 pandemic and significant shifts in the global economy *Deindustrialization and Plant Closure* Paul D.
