

Voluntary contributions by fund and by contributor, 2020

1. The present report supplements the WHO audited financial statements for 2020.¹ The following schedules are provided in the Annex:

Schedule 1 – Voluntary contributions, by fund

Schedule 2 – Voluntary contributions, by fund and by contributor

Schedule 3 – Deferred revenue, by fund and by contributor

Schedule 4 – Voluntary contributions receivable – non-current and current (by age and by contributor)

Schedule 5 – In-kind and in-service voluntary contributions

Schedule 6 – Voluntary contributions received in advance for 2021

2. The accounting policies for receivables, deferred revenue and revenue are summarized in sections 2.3, 2.15 and 2.16 of the Audited Financial Statements for the year ended 31 December 2020.¹

3. Revenue from voluntary contributions is recognized in accordance with the International Public Sector Accounting Standards (IPSAS), in particular IPSAS 23 (Revenue from Non-Exchange Transactions) when a binding agreement is signed by WHO and the contributor. Where there are “subject to” clauses in an agreement, WHO does not control the resource and does not record the revenue and amount receivable until the cash is received. Where there are no payment terms specified by the contributor or where payment terms are in the current accounting year, revenue is recognized in the current period. Where payment terms specify payment after the year end, the amount is reported as deferred revenue. Where the start date is indicated as being in the following year, revenue is recognized in the following financial year, with any cash receipt recorded as an advance.

4. Each voluntary contribution is recorded through an award. The summary schedules presented in the Annex aggregate those awards, reporting contributions by fund and by donor. Miscellaneous receipts and donor contributions totalling less than US\$ 10 000 are grouped together and reported as “other and miscellaneous receipts”.

5. As reported in the Statement of Financial Performance in the Audited Financial Statements for 2020,¹ all activities implemented by WHO have been consolidated in the financial report. This includes voluntary contributions received under the General Fund (Programme Budget) and the Fiduciary Fund.
