Jesuits in Science Fiction: Reason and Revelation on Other Worlds Richard Feist, 2025-01-07 From their founding in 1540 to this day Jesuits have been controversial Their centuries of missionary work have taken them to all corners of the world They have been accused of killing Kings and Presidents and contributing to colonization and destruction of cultures even participating in enslavement But the Jesuits have also been seen as bringers of light and education With their ferocity of purpose and intellectual rigor the Jesuits impact on world history cannot be ignored No surprise then that Jesuits appear in literature especially that literature of ideas exploration and social commentary otherwise known as science fiction This unique collection of essays explores how the Jesuit has long been part of science fiction's history and how Jesuit ideas and characters are featured in some of science fiction's greatest works In this collection we see Jesuits continue their missionary spirit as they take leave of the earth moving their missionary labors literally towards the heavens Reason and revelation are now indeed on other worlds In this collection we have explorations of philosophy science theology and culture all done in typical Jesuit fashion always in various and foreign contexts This collection is akin to others in its linking of religion and science fiction but it is unique in its concentration on the Jesuits and

science fiction This collection will be of interest to scholars working and researching in the field of science fiction studies and would be suitable for courses on science fiction But it will also be of interest and accessible to those of us who simply love science fiction for its power to explore other worlds and in this case to take some of the deepest human reflections namely those on God morals and culture lift them up and see what forms they may take on other worlds [Darkover Books](#) Source Wikipedia,2013-09 Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online Commentary books not included Pages 34 Chapters A Flame in Hali City of Sorcery Darkover Landfall Darkover series Domains of Darkover Falcons of Narabedla Four Moons of Darkover Free Amazons of Darkover Hawkmistress Leroni of Darkover List of Darkover books Marion Zimmer Bradley s Darkover Red Sun of Darkover Renunciates of Darkover Sharra s Exile Snows of Darkover Star of Danger Stormqueen Sword of Chaos Thendara House The Bloody Sun The Door Through Space The Fall of Neskaya The Forbidden Tower The Heritage of Hastur The Keeper s Price The Other Side of the Mirror anthology The Planet Savers The Shattered Chain The Spell Sword The Sword of Aldones The Winds of Darkover The World Wreckers Towers of Darkover Two to Conquer Zandru s Forge Excerpt Sharra s Exile is a fantasy novel written by Marion Zimmer Bradley as part of the Darkover series and is a sequel to The Heritage of Hastur This novel is a complete rewrite of The Sword of Aldones published by Ace in 1962 The second chapter of book one pages 39 to 57 of Sharra s Exile was previously published in a slightly different form as a short story Blood Will Tell in The Keeper s Price Sharra s Exile is set in Against the Terrans The Second Age after the Comyn Lew and Kennard Alton have already spent two years on Earth since Sharra s awakening see The Heritage of Hastur Despite numerous attempts Terran medics were not able to restore Lew s hand due to destruction on the molecular level of Lew s DNA by the Sharra Matrix But with the help of the constant monitoring of his father Lew is recovering his mental control and escaping Sharra s domination Lew and Kennard Alton have been away from Darkover for three years without any contact with the Comyn Regis Hastur is now 18 years old and has recently completed his training in [Marion Zimmer Bradley](#) Mary Ellen Snodgrass,2020-09-10 This literary companion surveys the young adult works of American author Marion Zimmer Bradley primarily known for her work in the fantasy genre An A to Z arrangement includes coverage of novels The Catch Trap Survey Ship The Fall of Atlantis The Firebrand The Forest House and The Mists of Avalon the graphic narrative Warrior Woman the Lythande novella The Gratitude of Kings and from the Darkover series The Shattered Chain The Sword of Aldones and Traitor s Sun Separate entries on dominant themes rape divination religion violence womanhood adaptation and dreams comb stories and longer works for the author s insights about the motivation of institutions that oppress marginalized groups especially women

Lesbian Potentiality and Feminist Media in the 1970s Jed Samer,2022-02-04 In Lesbian Potentiality and Feminist Media in the 1970s Jed Samer explores how 1970s feminists took up the figure of the lesbian in broad attempts to reimagine gender and sexuality Samer turns to feminist film video and science fiction literature offering a historiographical concept

called lesbian potentiality a way of thinking beyond what the lesbian was in favor of how the lesbian signified what could have come to be. Samer shows how the labor of feminist media workers and fans put lesbian potentiality into movement. They see lesbian potentiality in feminist prison documentaries that theorize the prison industrial complex's racialized and gendered violence and give image to Black feminist love politics and freedom dreaming. Lesbian potentiality also circulates through the alternative spaces created by feminist science fiction and fantasy fanzines like *The Witch* and *the Chameleon* and *Janus*. It was here that author James Tiptree Jr. Alice B. Sheldon felt free to do gender differently and inspired many others to do so in turn. Throughout, Samer embraces the perpetual reimagination of lesbian and the lesbian's former futures for the sake of continued radical world building.
