The Reform Plan Bill Blanchet, 2010-11 A devoted high school history teacher Mr

Besserian enjoys motivating his students at the highly diverse Fillmore High School and tries hard to make his subject matter interesting. His efforts have earned him the Teacher of the Year Award and the respect of the faculty, not to mention the students themselves. But at a staff meeting, Besserian learns of the proposed academic improvement plan for Fillmore High that may fundamentally alter the school and not for the best. Simply named the Reform Plan, it calls for community involvement on such a large scale that it will virtually turn the school into its own independent city as well as impose corporate values on the students themselves. Besserian isn't at all sure this is such a wise idea and decides to unearth the truth behind the project by assigning his history class to research it. Besserian and his students start digging into the plan and uncover disturbing and dangerous information that underscores the precarious level of academic instruction in the school. The more they uncover, the more Besserian realizes that greed and corruption are the backbone of the supposed Reform Plan. But can a lone teacher and a group of students possibly stop the juggernaut of Fillmore High's reform before it destroys the school's very foundation?
