## **Coping When A Parent Is Gay:**

*Coping when a Parent is Gay* Deborah A. Miller, 1993 Examines the impact of a parent's sexual orientation on family relationships describing the experiences of young people in various types of families      **Reader's Guide to Lesbian and Gay Studies** Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report      **101 Frequently Asked Questions About Homosexuality** Mike Haley, 2004-06-01 101 Probing Questions 101 Compassionate and Scriptural Answers from Focus on the Family's Mike Haley Almost daily we hear news reports that confirm the acceptance of homosexuality in our culture Homosexuals are adopting children appearing as characters on television programs taking vacations catering to an exclusively gay clientele and even seeking the right to marry their partners But is this acceptance healthy for society Few topics can raise so many questions so quickly And for many readers those questions hit close to home as they learn of the homosexuality of a loved one or close friend Here are the answers to the most often asked questions about homosexuality fielded by an expert on the subject and a former homosexual himself      *The LGBT Casebook* Petros Levounis, Jack Drescher, Mary Barber, 2012-04-16 Even in today's more enlightened society it takes courage for many lesbian gay bisexual and transgender LGBT individuals to come out of the closet and embrace their sexual orientation and identity Coming out or facing internal and societal conflicts related to sexuality involves a great deal of anxiety that can permeate other aspects of an LGBT individual's life particularly when seeking psychiatric treatment The goal of *The LGBT Casebook* is to help clinicians trainees and other mental health professionals address the mental health needs of LGBT people in the context of problems these individuals face in their everyday lives including homophobia and discrimination The LGBT Casebook begins with five chapters devoted to basic concerns that affect LGBT populations including coming out heterosexist attitudes the don't ask don't tell mentality legal issues gay parenting and sexual identity in patient therapist relationships In the rest of the book clinician authors present case studies of 20 patients with different DSM diagnoses illuminating the impact of LGBT identity and illustrating a way of working with each presented patient Features and benefits of *The LGBT Casebook* include Insights into the unique problems LGBT people face in their everyday lives when compared with heterosexual individuals Problems that are common to all LGBT individuals such as the anxiety of being in the closet hiding one's identity or coming out embracing one's identity Practitioners with little experience in working with the LGBT population can gain a better understanding of psychiatric diagnoses within the context of an LGBT individual's everyday life The book can be read cover to cover to gain insights into the full diversity of the LGBT population or by specific chapters of interest to help with the diagnosis of a patient currently in

treatment A glossary at the back of the book defines both clinical and colloquial terms and phrases that clinicians and patients use to define themselves and their peers While The LGBT Casebook is the ideal general overview and roadmap for the clinician new to treating LGBT patients it also provides new pearls of wisdom and insights for psychiatrists residents medical students nurses and clinical social workers who are already familiar with working with the LGBT community By introducing a diverse range of people diagnoses and presenting problems it will serve as a valuable reference book for all mental health professionals when assessing and treating the mental health concerns of lesbian gay bisexual and transgender patients
