Helping Your Depressed Teenager Gerald D. Oster, Sarah S. Montgomery, 1994-12-13 The authors have produced a very readable extremely well informed and comprehensive book that will add greatly to the knowledge base of interested parents This book is strongly recommended Stewart Gable MD Chairman Department of Psychiatry The Children's Hospital Denver Colorado You supported and encouraged them as they grew from toddlers to teens Now you are confronted with one of the toughest challenges you and they will ever face teenage depression Adolescence is a period of peaks and valleys Most teens negotiate these years with relative ease yet for some these times are treacherous with countless pitfalls When depression

ensues it can interfere with much of your child's potential. Clinical depression is now epidemic among American teens and teen suicide can be a deadly consequence. *Helping Your Depressed Teenager* is a practical guide offering family solutions to a family problem. This book will sensitize you to the hidden struggles of adolescents and assist you in understanding their multifaceted problems. The authors are experts in this field and have helped countless youngsters confront and overcome their depressed mood. In a highly readable and gentle manner they help you see behind the masks of troubled teens who attempt to hide their true feelings. They help you distinguish the subtle and sometimes not so subtle signs that something is seriously wrong. And they help you provide the loving support and assistance teenagers need to make it through this difficult life passage. Some of the useful information provided: What families can do to prevent teen depression. How to tell the difference between moodiness and depression. How to read the warning signs of a troubled teenager. How to know when professional help is needed and where to find it. How to choose the right treatment options for your teen.

*Helping Children with Ill Or Disabled Parents* Julia Segal, John Simkins, 1996. When a parent falls ill or becomes disabled the pressures placed on family relations and friends can be very great. Children in particular are sometimes forgotten as the adults struggle to cope yet often have to endure enormous anxiety. The authors with compassion and common sense look at the range of issues that can arise including guilt, anger, frustration and fear. They suggest positive ways in which these can be approached as well as looking at what children need to know and when they should be told. Issues of dependence, separation and independence, what issues emerge when other adults are involved, the role of teachers and schools, the sense of responsibility commonly felt by the child, how to help with thoughts and feelings.
