

# Dealing with College Stress

Make the most out of your college experience with these 5 tips.

## Cover the basics

Dealing with stress is more difficult if you're not taking proper care of your body. Get 8 hours of sleep, eat a balanced diet, and move in ways that feel good to you!

## Balance your priorities

Create healthy school/life routines that work for you. Set aside time for schoolwork, loved ones, and self-care for a healthy balance.

## Get extra help

Check to see if your school offers free tutoring or homework help.

## Avoid procrastination

Procrastination only causes more stress. Set daily goals and track your progress with a planner or calendar.

## Reach out

If you feel depressed, anxious, or your stress becomes unmanageable, consider seeking mental health aid through your college or another professional service.
