

"The author's wide range of knowledge of health and psychology, family relationships and children's development is conveyed in a warm and compassionate voice..."

M. Rosenberg, Ph.D., University of California at Berkeley

COPING with your CHILD'S CHRONIC ILLNESS

Alesia T. Barrett Singer, M.A.

Coping With Your Childs Chronic Illneb

**Donna L. Wong, Marilyn J.
Hockenberry, David Wilson**

Coping With Your Child's Chronic Illness:

Coping with Your Child's Chronic Illness Alesia T. Barrett Singer M.a., Alesia T. Barrett Singer, 1999 A practical guide for parents who need support ideas and resources for dealing with their child's chronic illness Covers communicating with your child's doctor educating yourself about your child's illness talking to your child schooling and avoiding burn out and depression

When Your Child Has a Chronic Medical Illness Frank J. Sileo, Carol S. Potter, 2021-03-09 Silver Medal for Parenting in the Independent Publishers Awards This is an outstanding book that addresses the challenges of chronic disease in children from multiple viewpoints with a great deal of practical knowledge Given that Diabetes is one of the most common chronic diseases of childhood this work will serve to guide families in navigating the sometimes challenging journey to ensure the best possible outcomes for all Robert Gabbay MD PhD Chief Scientific and Medical Officer for the American Diabetes Association Written by leading mental health professionals this warm and accessible parenting book for children with chronic illnesses offers clear practical guidance for all aspects of the journey When you're focused on ensuring your child gets the best possible treatments for their symptoms it's easy to overlook or dismiss the impact the illness can have on your relationships and emotions This book places your psychological well being front and center so you can be the best caregiver possible for your child

The Special Child Helen Ng, 2003 [Yet Will I Praise Him: Living and Parenting with a Chronic Illness](#) Hannah Wingert, 2020-11-17 Motherhood can often feel overwhelming and isolating but for moms with a chronic illness those feelings are often intensified When your life is a constant battle with pain fatigue and isolation it's easy to lose sight of any joy in your life Wife and mother Hannah Wingert knows this all too well After finally being diagnosed with a chronic illness following the birth of her fourth child Hannah has had to come to terms with her diagnosis and to learn to be a wife and mother in the midst of her invisible illness In her inspirational book Yet Will I Praise Him Hannah opens up candidly about her own struggles of living and parenting with a chronic illness She will help you understand how to use your chronic illness to grow in your faith how to balance your marriage and parenting and how to live each day with hope so you can not only survive the challenges you face but also thrive Hannah covers everything from the tough questions such as Why doesn't God heal me to Why doesn't my husband get it She also provides savvy advice and practical tips she's learned along her journey Though Yet Will I Praise Him is written by a mom for moms it also covers information such as how the five stages of grief work when you have a chronic illness and what not to say to a parent with a chronic illness making it beneficial for anyone who has a loved one who lives with a chronic illness

The Handbook of Child Life Richard H. Thompson, 2018-04-03 Child life is a profession that draws on the insights of history sociology anthropology and psychology to serve children and families in many critical stress points in their lives but especially when they are ill injured or disabled and encounter the hosts of caregivers and institutions that collaborate to make them well Children and their families can become overwhelmed by the task of understanding and navigating the healthcare environment and continue to face

challenges through their daily encounters It is the job of child life professionals to provide care and guidance in these negotiations to serve as culture brokers interpreters of the healthcare apparatus to family and child and the child to medical professionals Despite the best efforts to provide quality sensitive psychosocial care to children and their families they remain vulnerable to lingering aftereffects The goal of this revised edition is to help prepare child life specialists to deliver the highest level of care to children and families in the context of these changing realities Each chapter has been substantially revised and two new chapters have been added This book will be a valuable resource for not only child life specialists but also nurses occupational and recreational therapists social workers and other hospital personnel **BOPOD - Wong's**
