Cooper, Adele Hobby, John Tegeder, Susan Hack-Lane, 2008 Yorktown is one of the northernmost towns in Westchester County This volume of vintage postcards draws from a time when the railroad was a predominant fixture in the community and travelers flocked to summer hotels and lakeside bungalow colonies Often thought of as ephemera something to be used and thrown away postcard images have proven over time to be a valuable document of a time and place For those who were visitors and those who received postcards these striking images capture the past in terms of Yorktowns architecture entertainment commerce and community **The Trees of Great Britain & Ireland** Henry John Elwes, Augustine Henry, 1906 *The New Materia Medica* Colin Griffith, 2012-01-01 The New Materia Medica is a source book of information on some of the most exciting new crystal botanical and animal remedies now in use by practitioners of the Guild of Homeopaths These remedies proven through the practice of meditation and with a reputation for remarkable success are extraordinary for their depth of action reaching far into a patient s psyche and history Each entry gives a description of the original substance in its natural state and an outline of its medicinal and traditional uses along with crystal essence cures where applicable and explanations of the remedies affinities for the chakras and the associated glands and organs All the remedies also include detailed information on their mental emotional and physical effects on the individual parts of the body Summarized case notes show clinical evidence of efficacy of these therapies and illustrate their day to day use *Family Wealth* James E.
