*Studies in Coptic Culture* Mariam Ayad, 2016-05-02 Coptic contributions to the formative theological debates of Christianity have long been recognized. Less well known are other equally valuable Coptic contributions to the transmission and preservation of technical and scientific knowledge and a full understanding of how Egypt's Copts survived and interacted with the country's majority population over the centuries. *Studies in Coptic Culture* attempts to examine these issues from divergent perspectives. Through the careful examination of select case studies that range in date from the earliest phases of Coptic culture to the present day, twelve international scholars address issues of cultural transmission, cross-cultural perception, representation, and interfaith interaction. Their approaches are as varied as their individual disciplines, covering literary criticism, textual studies, and comparative literature, as well as art history, archaeology, botany, and historical research methods. The divergent perspectives and methods presented in this volume will provide a fuller picture of what it meant to be Coptic in centuries past and prompt further research and scholarship into these subjects. **Journal of Biblical Literature**, 1926. *The Encyclopedia Britannica* James Louis Garvin, Franklin Henry Hooper, Warren E. Cox, 1929. **Christianity** Ḥabīb Badr, 2005. Here, in comprehensive and accessible form, is

a unique survey of this Christian Middle Eastern heritage written by first class scholars and by those who best know the Eastern Mediterranean world from within This is a very significant book indeed for all Christians or non Christians who want a better understanding not only of the Middle East but of the whole of our contemporary cultural and religious scene Rowan Williams Archbishop of Canterbury Missionary engagement and theological creativity interaction with other religions cultures and civilizations and promotion of justice peace and freedom diaconal action and martyrria in life and in death have marked the long complex and rich history of Eastern Christendom This book is a serious and bold attempt to provide a unique perspective on various dimensions and spheres of the churches life in the Middle East Aram I Catholicos of Cilicia and Moderator of the World Council of Churches Authors belonging to various ecclesial traditions trace together the history of Christianity in the Middle East Their common approach reveals to what extent unity in diversity has been a meaningful gift as much as it remains a demanding challenge to the historic lands where Christianity first spread Walter Cardinal Kasper President Pontifical Council for the Promotion of Christian Unity

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
