The Coral Island Robert Michael Ballantyne, 2015-06-29 The Coral Island By Robert Michael Ballantyne *Coral Island* Robert Michael Ballantyne, 2022-09-20 Three boys fifteen year old Ralph Rover the narrator eighteen year old Jack Martin and fourteen year old Peterkin Gay are the sole survivors of a shipwreck on the coral reef of a large but uninhabited Polynesian island At first their life on the island is idyllic food in the shape of fruits fish and wild pigs is plentiful and using their only possessions a broken telescope an iron bound oar and a small axe they fashion a shelter and even construct a small boat Their first contact with other people comes after several months when they observe two large outrigger canoes land on the beach The two groups are engaged in battle and the three boys intervene to successfully defeat the attacking party earning the gratitude of the chief Tararo The Polynesians leave and the three boys are alone once more Then more unwelcome visitors arrive in the shape of pirates who make a living trading or stealing sandalwood The three boys conceal themselves in a hidden cave but Ralph is captured when he sets out to see if the pirates have left and is taken aboard the pirate schooner Ralph strikes up an unexpected friendship with one of the pirates Bloody Bill and when they call at an island to trade for more wood he meets Tararo again On the island he sees all facets of island life including the popular sport of surfing as well as the practice of infanticide and cannibalism Rising tension leads to an attack by the inhabitants on the pirates leaving only Ralph alive and Bloody Bill mortally wounded However they manage to make their escape in the schooner After Bill dies making a death bed repentance for his evil life Ralph manages to sail back to the Coral Island to be re united with his friends **The Coral Island** R. M. Ballantyne, 1960 **Coral Island** R. M. Ballantyne, The Coral Island published in 1857 was written by Scottish author R M Ballantyne This story covers the life of three young boys fifteen year old Ralph who is also the narrator eighteen year old Jack and fourteen year old Peterkin who are shipwrecked and hence stranded on a South Sea island They have an abundant supply of food and the trio explore the island and the surrounding ones leisurely But trouble begins when a party of cannibals arrives and soon after a pirate ship The boys retreat to their safe place When Ralph goes out to check he is captured by the pirates **The Coral Island** Robert M. Ballantyne, 2024-10-18 IT was a bright beautiful warm day when our ship spread her canvas to the breeze and sailed for the regions of the south Oh how my heart bounded with delight as I listened to the merry chorus of the sailors while they hauled at the ropes and got in the anchor The captain shouted the men ran to obey the noble ship bent over to the breeze and the shore gradually faded from my view while I stood looking on with a kind of feeling that the whole was a delightful dream The first thing that struck me as being different from anything I had yet seen during my short career on the sea was the hoisting of the anchor on deck and lashing it firmly down with ropes as if we had now bid adieu to the land for ever and would require its services no more There lass cried a broad shouldered jacktar giving the fluke of the anchor a hearty slap with his hand after the housing was completed there lass take a good nap now for we shan t ask you to kiss the mud again for many a long day to come And so it

was That anchor did not kiss the mud for many long days afterwards and when at last it did it was for the last time *The Coral Island* Robert Michael Ballantyne,2019-03-02 [The Coral Island](#) Edited By S.E. The Coral Island R. M. Ballantyne, 2018-08-10 *The Coral Island* by R M Ballantyne One night soon after we entered the tropics an awful storm burst upon our ship The first squall of wind carried away two of our masts and left only the foremast standing There was no room for me upon the lifeboat but being left behind saved my life and the lives of Peterkin and Jack Martin my two companions Come boys said Jack Martin in a grave tone as we stood on the quarterdeck awaiting our fate You see it is impossible that the little boat can reach the shore crowded with men He had us take hold of a loose oar and guided us to shelter on a deserted coral isle and that is the beginning of my harrowing tale The novel was still considered a classic for English primary school children in the early 20th century In the United States it was long a staple of suggested reading lists for high school students such a list discussed in a 1915 article in *The English Journal* recommends the novel in the category Stories for Boys in Easy Style We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
