Core Management For Hr Students And Practitioners:

Core Management for HR Students and Practitioners Peter Winfield, Ray Bishop, Keith Porter, 2007-06-01 This is the second edition of the successful text published in 2000. The text continues to include self-assessment exercises, exam questions, further reading and research, and uses short case studies and articles to relate theory to practice. The new edition is completely up-to-date with more extracts from *Personnel Today* and linked in to a website provided by the authors. The book provides excellent coverage of the CIPD syllabus for three core areas of the CIPD syllabus: Managing People, Managing Activities, and Managing a business context. New end-of-chapter website links are included.

Managing Human Resources in the 21st Century Ellen Ernst Kossek, Richard N. Block, 1999 This text uses a modular approach to lead the student to develop an understanding of the current theory, principles, policies, and practices associated with human resource management, decision making, and strategy. Students will learn to appreciate how the human resource function can contribute to organizational effectiveness and the achievement of strategic business objectives. The authors present a balanced approach by considering HR issues from both the employer traditional and employee social perspectives.
