Ziegler,2006-06 Written by accomplished professional speaker and business consultant James A Ziegler CSP HSG The Prosperity Equation shares the journey that took one man from desolation to success It s about how to achieve great personal wealth and security This down to Earth book is written in a personable conversational style as if Ziegler was right in the room speaking with you The author interweaves personal stories with the pillars of prosperity the conceptual strategy that made him successful and wealthy Not for the faint hearted Ziegler s style is often brash forthright and in your face the author who says success leads to excess actually lives the dream himself with expensive jewelry luxury cars fine restaurants travel and an extravagant home The man is high energy and perpetual motion his enthusiasm is contagious He will be the first to tell you that prosperity is about much more than money It is about quality of life and security His definition of prosperity is a total package that includes having abundance to share your good fortune with others as well as having the

ability to care for your family and those you care about. Wealth provides choices. The bottom line in Ziegler's world is that very few wealthy people are employees. If you want freedom and the ability to control your destiny, you have got to start and grow your own business. *The Prosperity Equation* New Millennium Edition is about how to achieve those goals and enjoy the lifestyle you have only dreamed about.

Interiors Iyanla Vanzant, 1995. *Interiors* tells the story of one woman's trip to insanity and the journey back. This moving autobiography is the story not only of the suffering and recovery of an incest survivor, teenage mother, abused spouse, and public assistance recipient, but the story of all women who suffer. In this raw, uncensored commentary, Iyanla Vanzant takes an intimate look at the problems that afflict black women: the inner battle, the outward conflict, and the process of healing from a wise black woman's perspective.
