Cornwall National Trust Histories:

National Trust Histories: Cornwall Jack Ravensdale, 2016-05-15 Cornwall has its own language culture outlook and a powerful individuality Its scenery is unique in Britain and to see a remotely similar countryside one must travel across the sea to another Celtic bastion Brittany It is also a place where reality is far more fascinating and diverse than popular images suggest Hidden coves where smugglers and wreckers lurked and dubious Arthurian fantasies tend to dominate the visions of outsiders or up country folk as a result the real Cornish landscape and history have been strangely neglected by the general public For this series of four National Trust histories author Jack Ravensdale has provided a colorful and authoritative account of the Cornwall which holidaymakers so often miss He describes its evolving landscape the people who have laboured there over the centuries and the remarkable portfolio of monuments which is their legacy Indeed Cornwall s heritage of prehistoric small tombs and circles could scarcely be surpassed If in contrast the Roman endowment is meagre the region possesses some intriguing medieval castles several quite exceptional mansions and an astonishing collection of industrial relics Add to these a coastline that is the equal of any and a folklore as rich and unlikely as can be and the true nature of Cornwall begins to emerge The Continuing Purpose: a History of the National Trust, Its Aims and Work Robin Fedden, 1968 *Writings on British History*, 1953 **Britain's History and Memory of Transatlantic Slavery** Katie Donington, Ryan Hanley, Jessica Moody, 2016 This collection brings together local case studies of Britain s history and memory of transatlantic slavery and abolition including the role of individuals and families regional identity narratives sites of memory and forgetting and the financial architectural and social legacies of slave ownership The National Trust Guide Robin Fedden, National Trust (Great Britain), 1984 **A Genealogical and Heraldic History of the Peerage and Baronetage, the Privy Council and Knighthood** Bernard Burke, Ashworth Peter Burke, 1923 **A Directory of Natural History and Related Societies in Britain and Ireland** Audrey Meenan, 1983 *A Genealogical and Heraldic History of the Peerage and Baronetage, the Privy Council, Knighthood, and Companionage*, 1917 **Proceedings of the Dorset Natural History and Antiquarian Field Club** Dorset Natural History and Archaeological Society, 1900 List of members in each volume Proceedings - Dorset Natural History and Archaeological Society Dorset Natural History and Archaeological Society, 1900 List of members in each volume *The English Country House Garden* George Plumptre, 2018-10-02 This book will inspire and delight the stories of these gardens so compellingly captured by George Plumptre make the reader stop and tarry awhile marvelling at the energy the vision and the passion of the people who created gardens such as Hidcote Sissinghurst and Great Dixter The English Garden A feast of horticulture and Englishness House here is a space to wander and relax to share secrets and above all to enjoy afternoon tea But even the most peaceful of gardens also take passion and hard work to create This new book takes a fresh look at the English country house garden starting with the owners and the stories behind the making of the gardens Glorious photographs capture the gardens at their finest moments through the

seasons and a sparkling and erudite text presents twenty five gardens some grand some personal some celebrated some never before photographed to explore why this garden style has been so very enduring and influential From the Victorian grandeur of Tyntesfield and Cragston to the Arts from Scampston in the same family since the 17th century to new gardens by Dan Pearson and Tom Stuart Smith and with favourites such as Hidcote and Great Dixter alongside new discoveries this book will be a delicious treat for garden lovers

Curated Decay Caitlin DeSilvey, 2017-02-14 Transporting readers from derelict homesteads to imperiled harbors postindustrial ruins to Cold War test sites *Curated Decay* presents an unparalleled provocation to conventional thinking on the conservation of cultural heritage Caitlin DeSilvey proposes rethinking the care of certain vulnerable sites in terms of ecology and entropy and explains how we must adopt an ethical stance that allows us to collaborate with rather than defend against natural processes *Curated Decay* chronicles DeSilvey's travels to places where experiments in curated ruination and creative collapse are under way or under consideration It uses case studies from the United States Europe and elsewhere to explore how objects and structures produce meaning not only in their preservation and persistence but also in their decay and disintegration Through accessible and engaging discussion of specific places and their stories it traces how cultural memory is generated in encounters with ephemeral artifacts and architectures An interdisciplinary reframing of the concept of the ruin that combines historical and philosophical depth with attentive storytelling *Curated Decay* represents the first attempt to apply new theories of materiality and ecology to the concerns of critical heritage studies

 Christopher Wright, Catherine May Gordon, 2006-01-01 This book sets a new standard as a work of reference It covers British and Irish art in public collections from the beginning of the sixteenth century to the end of the nineteenth and it encompasses nearly 9 000 painters and 90 000 paintings in more than 1 700 separate collections The book includes as well pictures that are now lost some as a consequence of the Second World War and others because of deaccessioning mostly from 1950 to about 1975 when Victorian art was out of fashion By listing many tens of thousands of previously unpublished works including around 13 000 which do not yet have any form of attribution this book becomes a unique and indispensable work of reference one that will transform the study of British and Irish painting
