**The Professionals' Guide to Fund Raising, Corporate Giving, and Philanthropy** Linda Adams Chau, 1988-06-22 A guide for professionals and aspiring professionals staff members and volunteers alike this is a concise readable overview of fund raising activities in the not for profit sector The author is a former Contributions Analyst at Pennzoil She contributes insights gleaned through her considerable experience in the field providing an unusually comprehensive survey of the many facets of fund raising and philanthropy Adams Chau begins by describing the characteristics legal status and professional organizations of the not for profit independent sector Subsequent chapters examine specific fund raising targets and fund raising organizations individuals corporations foundations the United Way and religious fund raising The author describes what motivates contributions the effects of the 1986 Tax Act ethical considerations and types of contributions She includes professional resumes of the key individuals involved a board member a corporate contributions executive and a national foundation executive a national United Way executive and a denominational leader The final chapter details how to write and evaluate grant proposals The bibliography lists important sources of information including computer software

*Corporate Social Investing* Curt Weeden, 1998-09 Author Curt Weeden unveils a 10 step corporate social investing plan which not only promises to improve a company's bottom line but should lead to an increase of 3 billion or more a year in business support for schools healthcare institutions civic groups and other nonprofit organizations Corporate Social Investing is a powerful

resource for business executives nonprofit organization leaders and company employees who are nonprofit board members or volunteers      *Corporate Philanthropy in the Eighties*, 1980      **Looking Good and Doing Good** Jerome L.

Himmelstein, 1997-05-22 Political controversy is a lens through which the author examines corporate philanthropy He explains why corporate philanthropy has become politicized how corporations respond to controversy about their donations and what the conflicts tell us about corporate philanthropy and corporate politics Himmelstein argues that corporate giving sometimes becomes politicized because it is inherently a complex social and political act Drawing on in depth interviews with managers at fifty five of the largest corporate giving programs in the U S Himmelstein shows that corporate giving often finds itself as one manager put it locked in a struggle between looking good and doing good Back cover      **Japanese**

**Corporate Philanthropy** Nancy R. London, 1990-12-27 Over the past decade Japanese corporations have made a series of large news generating gifts to a variety of United States universities museums and research institutions Many of these gifts have differed in both nature and magnitude from the contributions made by Japanese companies domestically The stir generated by such corporate grants is evidenced on the one hand by the influx into Japan of American European and Asian fundraisers seeking grants for their organizations and on the other hand by the intensifying debate within Japan about the appropriate role for Japanese institutions as international corporate philanthropists and citizens As with every facet of the complex United States Japan relationship cultural disparities make the American and Japanese approaches to philanthropy quite different creating the potential for friction and disappointment in this realm as surely as in the realm of trade and international business This book examines major legal and functional aspects of Japanese corporate philanthropy and attempts to place them in their cultural setting Drawing on her experience as an attorney and five years in Japan Ms London aims to make Japanese corporate grantmaking more comprehensible not only to Americans but also to Japanese as they begin to focus more attention on the role and meaning of corporate philanthropy      *Scholars, Dollars, and Public Policy* Ernest W. Lefever, Raymond English, Robert Lindsay Schuettinger, 1983 Financial contributions by American corporations that are designed to influence domestic or foreign policies are discussed After identifying ways that business corporations can influence either general policy or particular decisions a brief history of corporate philanthropy in the United States and financial support for public policy purposes is presented Public policy giving includes support for organizations movements and individuals seeking to influence government policies mainly by producing and disseminating studies ideas facts and recommendations for academic business public policy and other leaders Six policy guidelines are included to help corporations determine which public policy groups share their political philosophy and what the relation between donor and recipient should be To help judge which groups are performing most effectively criteria are suggested that concern clear definitions of purposes and programs the recipients reputation management capabilities present or potential sound financial base and the recipients impact on public policy Sources of information on public policy organizations are described and

profiles of the following consumer organizations are included Consumer Alert Center for Auto Safety and American Council on Science and Health SW

*The Corporate Contributions Handbook* James P. Shannon, 1991-04-08 Provides a valuable practical reference for corporate executives charged with managing company contributions Helps both grantmakers and grantseekers better understand how corporate contributions are made and reveals how applicants for corporate support can work as equal partners not adversaries with their peers in corporate contributions offices In twenty five chapters experts on the varied aspects of corporate contributions discuss the partnerships of government business and the nonprofit sector how it developed how it operates today and how it contributes to the common good They describe different ways in which a business can enhance its position of community leadership through its contributions program Several corporate officers talk about their experiences managing specific aspects of a corporate contributions program The authors reveal that corporate contributions involve more than gifts of money only and stress the importance of collaboration between grantmakers and grantseekers to achieve their common goals

**Corporate Philanthropy at the Crossroads** Dwight F. Burlingame, Dennis R. Young, 1996-11-22 A guide for fund raisers to the current thinking in the boardrooms about getting the biggest bang for the company's charity and to the research corporations are doing to that end The eight perspectives include why research is crucial to the new corporate philanthropy corporate volunteerism business performance the ethical framework and firm size
