## **Corporate View Marketing Sales And Support:**

**Corporate View** Karl Barksdale, Michael Rutter, 2000-05 Corporate View is a series of text simulations that use a live corporate Intranet. Students learn to communicate and understand corporate terminology, research and make business decisions, use the Internet and corporate Intranet as office tools and work in real and virtual teams. The Corporate View titles can be used in any order independently or jointly. Corporate View Orientation is not a prerequisite to the other titles. Corporate View Marketing Sales Support allows students to engage in realistic online activities typically performed by entry level employees in the marketing department of a large corporation. Students evaluate online marketing, consider business to business commerce, develop sales and support materials for sales reps and use skills that sales representatives use in the marketplace. Students also learn the importance of branding, trade names and trademarks, product life cycles and market data analysis. Students learn to communicate and understand corporate terminology, research and make business decisions, use the Internet and corporate Intranet as office tools and work in real and virtual teams. **Sales, Marketing and Personal Relations in Service Industry** Mr. Rohit Manglik, 2024-03-17 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources.
