Proust, a Jewish Way Antoine Compagnon, 2024-11-12 Marcel Proust once wrote There is no longer anybody not even myself since I cannot leave my bed who will go along the Rue du Repos to visit the little Jewish cemetery where my grandfather following a custom that he never understood went for so many years to lay a stone on his parents grave Investigating the origin and significance of this statement Antoine Compagnon offers new insight into the great author s underappreciated Jewish side Compagnon traces Proust s ties to the French Jewish community examining his relations with his mother s successful and assimilated family the Weils He explores how French Jews read and responded to Proust s masterpiece *In Search of Lost Time* in the 1920s and 1930s Challenging contemporary critics who perceive self hatred or even antisemitism in Proust s work Compagnon shows that many Jewish intellectuals and young Zionists admired and vigorously debated the novel some seeing it as a source for pride in their Jewish identity He also considers Proust s portrayal of homosexuality and how it relates to notions of Jewishness A work of remarkable erudition and deep research *Proust a Jewish Way* brings to light the vanished world of Proust s first Jewish readers and shows how it can illuminate our reading of the great novelist today
