## Correspondance Rousseau Volume 1:

**The New Worlds of Thomas Robert Malthus** Alison Bashford, Joyce E. Chaplin, 2017-11-07 This book is a sweeping global and intellectual history that radically recasts our understanding of Malthus's *Essay on the Principle of Population* the most famous book on population ever written or ever likely to be Malthus's *Essay* is also persistently misunderstood First published anonymously in 1798 the *Essay* systematically argues that population growth tends to outpace its means of subsistence unless kept in check by factors such as disease famine or war or else by lowering the birth rate through such means as sexual abstinence Challenging the widely held notion that Malthus's *Essay* was a product of the British and European context in which it was written Alison Bashford and Joyce Chaplin demonstrate that it was the new world as well as the old that fundamentally shaped Malthus's ideas

**A Wicked Company** Philipp Blom, 2011-02-11 The acclaimed author of *The Vertigo Years* tells the remarkable story of the Parisian salon that brought together the greatest minds of the 18th century Rousseau Hume Diderot Voltaire Benjamin Franklin and changed the world forever The Paris salon of Paul Henri Thiry Baron d'Holbach where friendship and radical philosophy flourished throughout the 1760s stands as a seminal event in Western history Over wine soaked dinner parties the finest minds of the Western world matched wits and scandalized one another with their radical ideas Holbach's house became an epicenter of free thinking a place like no other in repressive eighteenth century Europe frequented by men and women united by their love of intellectual freedom their contempt for the conventional and often the danger of persecution It was a moment of astonishing radicalism in European thought so uncompromising and bold that its vision has still not been fully realized In *A Wicked Company* acclaimed historian Philipp Blom describes the fortunes of this group of friends writers of genius all full of wit and courage but also personal contradictions doubts conflicts of conscience and their fair share of arguments and love affairs Their bracing liberating humanist vision bursts free of the page in Blom's telling and their analysis of our culture remains as valid as it was then A startlingly relevant work of narrative history *Wicked Company* forces us to confront with new eyes modern debates about our society and its future
