Correspondence Vol 2 Vincent De Paul**correspondence Conferences Documents:**

Correspondence, Conferences, Documents Wincenty a Paulo ((św. ;),1990 *Female Piety and the Catholic Reformation in France* Jennifer Hillman,2015-10-06 Hillman presents a fascinating account of the role that women played during the Catholic Reformation in France She reconstructs the devotional practices of a network of powerful women showing how they reconciled Catholic piety with their roles as part of an aristocratic elite challenging the view that the Catholic Reformation was a male concern

Ignatius Ekandem 1917-1995 Michael I. Edem CM,2018-09-30 A phenomenon seldom recognized in the media of Western Europe and North America is the extraordinary growth of the Catholic Church of South America and sub Saharan Africa during the last five decades and nowhere more than in Nigeria A key figure in that country and in that growth up to his death in 1995 was Cardinal Ekandem the first Anglophone West African bishop the first of many and an outstanding churchman of the 20th Century Fr Michael Edem s scholarly biography of the Cardinal is a fascinating account of a journey from life in a traditional African village to the consistory of cardinals of the Catholic Church in Rome It will be of enormous interest to a wider public for the author s personal knowledge of the cardinal and of the Efik Ibibio culture in which they both grew up

Every Catholic An Apostle William L. Portier,2017-11-17 Born in Boston of immigrant parents Thomas A Judge CM 1868 1933 preached up and down the east coast on the Vincentian mission band between 1903 and 1915 Disturbed by the leakage of the immigrant poor from the church he enlisted and organized lay women he met on the missions to work for the preservation of the faith his watchword His work grew apace with and in some ways anticipated the growing body of papal teaching on the lay apostolate When he became superior of the godforsaken Vincentian Alabama mission in 1915 he invited the lay apostles to come south to help This is the layman s hour he wrote in 1919 By then however many of his lay apostles had evolved in the direction of vowed communal life This pioneer of the lay apostle founded two religious communities one of women and one of men With the indispensable help of his co founder Mother Boniface Keasey he spent the last decade of his life trying to gain canonical approval for these groups organizing them and helping them learn to train the work a day man and woman into an apostle to cause each to be alert to the interests of the Church to be the Church The roaring twenties saw the work expanded beyond the Alabama missions as far as Puerto Rico which Judge viewed as a gateway to Latin America The Great Depression ended this expansive mood and time and put agonizing pressure on Judge his disciples and their work In 1932 the year before Judge s death the apostolic delegate upon being appraised of Judge s financial straits described his work as the only organized movement of its kind in the Church today that so completely meets the wishes of the Holy Father with reference to the Lay Apostolate *Vincentian Heritage* ,2003 **Put Out Into The Deep** Emilia Fransiska Dian

Widhowati, PMY, God is Love To believe in this God of unconditional Love is a lived experience in each person and in each generation everywhere on the globe and all different cultures and historical periods In the beginning of the nineteenth century we notice in the south of the Netherlands a strong movement to renew and to actualise the Catholic faith in the concrete circumstances of poverty and political neglect In this way the Congregation of the Sisters of Charity Daughters of Mary and Joseph was founded on 7 July 1820 in s Hertogenbosch Similar to several other congregations in the same period St Vincent de Paul was their principal source of inspiration determined their charism and remained at the centre of their spirituality Religious life is essentially a lived experience of faith in which concrete persons touched by the incomprehensible Love of God dedicate their life in total surrender to this Love As a result they obey to the divine calling to be wholly transformed in love and to become docile instruments of God s overwhelming Charity towards all vulnerable persons young and old their brothers and sisters who are stripped of their human dignity humiliated and enslaved in many subtle ways In this Vincentian congregation this divine vocation of Charity was originally implemented as a specific service to the education of blind and deaf children but widened to the care of other forgotten groups like victims of trafficking in women and discrimination or subordination of women

La Duchesse Bronwen McShea, 2023-03-07 A rich portrait of a compelling complex woman who emerged from a sheltered rural childhood into the fraught often deadly world of the French royal court and Parisian high society and who would come to rule them both Married off at sixteen to a military officer she barely knew Marie de Vignerot was intended to lead an ordinary aristocratic life produce heirs and quietly assist the men in her family rise to prominence Instead she became a widow at eighteen and rose to become the indispensable and highly visible right hand of the most powerful figure in French politics the ruthless Cardinal Richelieu Richelieu was her uncle and as he lay dying the Cardinal broke with tradition and entrusted her above his male heirs with his vast fortune She would go on to shape her country s political religious and cultural life as the unconventional and independent Duchesse d Aiguillon in ways that reverberated across Europe Africa Asia and the Americas Marie de Vignerot was respected beloved and feared by churchmen statesmen financiers writers artists and even future canonized saints Many would owe their careers and eventual historical legacies to her patronage and her enterprising labor and vision Pope Alexander VII and even the Sun King Louis XIV would defer to her She was one of the most intelligent accomplished and occasionally ruthless French leaders of the seventeenth century Yet as all too often happens to great women in history she was all but forgotten by modern times *La Duchesse* is the first fully researched modern biography of Vignerot putting her onto center stage in the histories of France and the globalizing Catholic Church where she belongs In these pages we see Marie navigate scandalous accusations and intrigue to creatively and tenaciously champion the people and causes she cared about We also see her engage with fascinating personalities such as Queen Marie de M d'ici and influence French imperial ambitions and the Fronde Civil War Filled with adventure and daring art and politics *La Duchesse* establishes Vignerot as a figure without whom France s storied

Golden Age cannot be fully understood *Correspondence Vol 9* Vincent de Paul, 2005-04 The most complete collection of Vincent de Paul's writings ever made available in English **Books in Print**, 1994 **Correspondence Vol 6** Vincent De Paul, 1997 The most complete collection of Vincent de Paul's writings ever made available in English Prepared by the Vincentian Translation Project Fully annotated and indexed *The Vincentians: A General History of the Congregation of the Mission* Luigi Mezzadri, CM, José Maria Román, CM, 2009 Their mission was humble and simple to reach the poor country people who suffered from ignorance of their faith a debased clergy and poverty In response Vincent De Paul defined the vocation of his Little Company as preaching local missions for free educating the clergy and working to relieve the people's poverty Soon however this vocation was complicated by commands to minister to royal families including Louis XIV of France and the kings and queens of Poland which would embroil the Vincentians in international and ecclesiastical politics In addition they would begin dangerous foreign missions such as ministering to the Christian captives of the Barbary pirates the debased colonists and rebellious natives of Madagascar and the vendetta prone Corsicans For the first time modern readers have a thoroughly researched history based on original documents and the studies of numerous scholars past and present It portrays the Vincentians' daily lives and describes their failings as well as their exalted acts of heroism It also details the social and political milieus that conditioned their lives and work It is an important down to earth side of history not often told
