*In Defence of British India* 1984 illustrates the problems arising from the British need to defend an Indian empire against the fluctuations in the European balance of power preferably by isolating the empire from the European political system The strategies devised by Britain to forestall and later to counter the expansion of European empires into the Middle East are known as the Great Game which began in 1798 in response to the French invasion of Egypt Later the British planned an offensive in the Middle East itself as a means by which to defend their Indian empire      *David Scott in North-East India, 1802-1831* Nirode K. Barooah,1970      **Architects of Empire** John Kenneth Severn,2007 A soldier and statesman for the ages the Duke of Wellington is a towering figure in world history John Severn now offers a fresh look at the man born Arthur Wellesley to show that his career was very much a family affair a lifelong series of interactions with his brothers and their common Anglo Irish heritage The untold story of a great family drama Architects of Empire paints a new picture of the era through the collective biography of Wellesley and his siblings Severn takes readers from the British Raj in India to the battlefields of the Napoleonic Wars to the halls of Parliament as he traces the rise of the five brothers from obscurity to prominence Severn covers both the imperial Indian period before 1800 and the domestic political period after 1820 describing the wide range of experiences Arthur and his brothers lived through Architects of Empire brings together in a single volume a grand story that before now was discernible only through political or military analysis Weaving the personal history of the brothers into a captivating narrative it tells of sibling rivalry among men who were by turns generous and supportive then insensitive and cruel Whereas other historians have minimized the importance of family ties Severn provides an unusually nuanced understanding of the Duke of Wellington Architects of Empire casts his career in a new light one that will surprise those who believe they already know the man      **India In Edinburgh** Roger Jeffery,2019-06-28 Roger
