Dantes Path A Practical Approach To Achieving Inner Wisdom:

Dante's Path Bonney Gulino Schaub, Richard Schaub (Ph. D.), 2003 Two pioneers in holistic psychology address such disorders as depression anxiety and addiction from a spiritual perspective using Dante's Divine Comedy as a metaphor for personal growth 30 000 first printing **Holistic Nursing: A Handbook for Practice** Barbara Montgomery Dossey, Lynn Keegan, 2008-05-06 **A Psychotherapy of Love** John Firman, Ann Gila, 2012-02-01 This book shows what psychosynthesis looks like in the empirical practice of psychotherapy Originally conceived by Italian psychiatrist Robert Assagioli psychosynthesis is one of the first Western psychologies that addresses both spiritual and psychological healing and growth through self realization In effect it offers an approach to psychotherapy founded in altruistic love and the nurturing that supports the innate drive within human beings to embrace and actualize the whole of who they are Authors John Firman and Ann Gila include experientially based models and theory case studies from both the client and therapist perspectives and an invitation for both the professional and the layperson to the self reflection inner work and commitment necessary to love and work at this depth After an overview of the fundamentals of psychosynthesis theory the authors explore how a therapist's own embrace of these ideas can foster an altruistic empathetic love that supports and improves therapist client rapport and progress **Pocket Guide for Holistic Nursing** Barbara Montgomery Dossey, Lynn Keegan, Cathie E. Guzzetta, 2005 Intended for students clinicians educators and researchers looking to expand their knowledge of holism healing and spirituality **Companion to Dante's Divine Comedy** Aldo S. Bernardo, Anthony L. Pellegrini, 2006-01-01 An in depth companion guide to Dante's Divine Comedy **Your End of Life Matters** Anne Finkelman Ziff, 2018-08-16 Your End of Life Matters is offered at a time when people are starting to talk more about end of life matters Based on the author's own experiences and those of others she's worked with the book conveys the value of talking about last wishes long before the end is imminent With the primary emphasis on how to create a successful end of life communication of your own this book weaves stories text writing prompts humor and exercises into 12 chapters that include answers to key questions including the who why what how where and when of a potential conversation She covers Legacy Documents and other issues that might arise when planning for those final days Ziff has written a how to communication book for readers of all ages addressing the need and recommending methods to do what her parents did and what she eventually did as well To communicate with someone you know you can trust what the end of life matters are that you will want known both before and when the time of your death comes Ziff has been on both sides of this vital conversation first as a Listener and more recently as its Initiator and she advocates the value of both roles Let me tell you she admits candidly the planning ahead is pretty challenging and time consuming cataloging my office data tax and medical information photos and writings to say nothing of books and of clothing I had saved but not used in decades But the relief being able to know the talk was accomplished successfully that's remarkable I'm free now to actively get on exploring my bucket list and living my life

American Dantes Zygmunt G. Baranski, Theodore J. Cachey, Jr., 2025-09-15 *American Dantes* provides fresh perspectives on Dante's reception and cultural impact in the United States over the past two hundred years. *American Dantes* investigates the depth and breadth of Dante's American legacy from the early nineteenth century to the present. Showcasing an impressive array of approaches from renowned literary and Dante scholars, this book explores how Dante has influenced American poetry, fiction, memoir, painting, film, television, and political and religious discourse. This collection offers an extensive look at the vibrant and ongoing scholarly traditions of research, editing, translation, and creative adaptation that have established Dante's *Divine Comedy* as a classic in American literary culture, influencing cultural movements from transcendentalism to jazz to the Black radical tradition and more.
