Dare To Dream Beat The Odds And Win Personal Success:

Dare to Dream Florence Littauer, 1993-02 The author believes that dreaming is not only healthy but vital to a happy and fulfilling future In an inspiring and instructional message Littauer teaches readers how to balance their inner potential and offers six steps to living a life of vision and purpose challenging readers to dare to dream prepare the dream wear the dream repair the dream and share the dream What My Parents Did Right Gloria Gaither, 1994-10 Anecdotes by James Dobson Sandi Patti Chuck Colson Frank Peretti Gary Smalley and many more **The Titan's Ploy** AQEEL AHMED, The Titan s Ploy The city is in the middle of a planned battle between a chess playing bad guy and a smart person with a big body and a good heart Summary In the busy city of Grandview an amazing story is told that keeps the people there spellbound The story starts with Thomas who is both very big and very smart He is a giant of love and intelligence When Thomas comes to Grandview for the first time everyone is shocked His kindness and desire to help others make him very popular among the people in Grandview very quickly Viktor a chess whiz whose bad ideas for the city overshadow his brilliance becomes interested in him Viktor invites Thomas to a strategic duel that looks like it will be more than just a chess match because he thinks Thomas is getting stronger It turns into a battle for Grandview s very soul Before the task Thomas doesn t know anything about chess He sets out to learn about the game the people of Grandview and how strong the community is There he meets Lily a young chess fan who helps him because she knows a lot about the game and is really into it Together they expertly handle the tricky parts of the contest Viktor is surprised by Thomas s smart and naturally kind strategies which mesmerize the city s residents Along with being just a game Thomas and Viktor s fight turns into an interesting story that affects everyone in Grandview It shows how important it is to be kind work together and have the guts to stand up for what s right Through their journey Thomas and Viktor show that real power comes from intelligence kindness and friendships not from fear or control Even though Thomas wins in the end the game has significant effects beyond the chessboard and marks the start of a new age of hope and teamwork in Grandview Everyone in the city not just Thomas is happy about the win because it shows group spirit and hope for the future This touching story about intelligence bravery and community is a lovely lesson that kindness and good sense can bring people together and make a difference in the long run even when things are hard Chapter 1 The Coming In Grandview on a sunny morning something wonderful took place that would change the lives of everyone who lives there forever Thomas a giant with a heart as big as he was had a project to do in the city People stopped and watched him walk through the streets being careful to miss cars and lampposts with his big feet They had never seen someone so big before He was big but that wasn t what caught their attention It was the nice warm smile that went across his face and up to his sparkling eyes which were a sign of kindness Thomas didn t want to scare anyone even though he looked scary He got down on his knees and introduced himself to the shocked people watching His voice was soft like a lullaby but loud like thunder He said Hello my name is Thomas The locals felt better when he said I ve come to Grandview not to cause trouble

but to learn from you and maybe help in any way I can His sincerity and soft voice made them feel better Kids who were scared at first started to talk to him because they were too interested to stay away Thomas gave funny and thought provoking answers to their questions about where he came from and why he was so tall When Thomas got to Grandview people from all over the city rushed to meet the giant who promised to be friendly and help them It turned into quite a show After word got out Thomas was no longer an unknown but a person who people were interested in and hopeful about He paid close attention to the people s stories their goals and the problems they had living in the city With each story Thomas was more eager to help He learned that the people of Grandview had a spirit that was just as beautiful as the buildings and trees in the city He saw opportunities where others saw problems and ways to solve problems where there were differences Students at Grandview were the first to notice that Thomas was more than just a little kid The kids ran around him without being scared and laughed as he made faces or gently raised them to give them a better view of the world Thomas cared about everyone and kept an eye on them to make sure they were safe and happy The gentle giant was no longer just an interesting thing to adults it became a friend and a useful tool They told him about all the things the city needed like cleaning up the park getting more children s books for the library and fixing the bridge that was falling apart Thomas started to think about how he could help with these projects as he listened After a few weeks Thomas was now a member of Grandview He used his strength to clean up the park and plant new trees with the help of the community He climbed to the top shelves of the library without using a ladder where he organized books and told stories that made people laugh Thomas fixed up the old bridge which was dangerous for everyone to use before With each task he finished Thomas got to know the people of Grandview better They knew he wanted to learn and help the city very much They showed him kindness and care from the moment he walked in and he got to know them better Thomas s arrival in Grandview was more than just a big deal it was the start of a very special bond between a titan and a city Every person he met was touched by his kindness and desire to help People in Grandview knew that real greatness doesn t come from having a lot of power or money but from caring about others and wanting to make the world a better place Thomas the kind giant showed them that no problem was too big for a group to handle and that sometimes the biggest animals have the cleanest hearts Thomas s acts changed Grandview leaving an indelible mark on the neighborhood and showing how kind people can change the world Chapter 2 Making a Proposal Thomas the Caring Titan cast a dark shadow over Grandview a town known for its calm roads and nice people Viktor was the person whose shadow it was He wanted to rule the city more than he wanted to play chess Viktor had always thought he was the real ruler of Grandview because he had sharp eyes and a sharp mind He played chess not only for fun but also to show that he was in charge of the city s issues from a strategic point of view People were feeling sorry for Thomas and paying attention to him which made Viktor realize he needed to move quickly to get back on top Viktor knew how important public opinion was so he planned to face Thomas in a way that would get a lot of attention and make things hard for the titan As the city s people

gathered in the main square one evening he made his dare He spoke loudly enough to be heard over the buildings I Viktor the best chess player this city has ever seen challenge Thomas the newcomer to a strategic contest Let this game decide who really deserves to influence Grandview People in the crowd were both excited and nervous In Grandview chess wasn't just a game it was a test of how smart strategic and ahead of time you were Viktor's task wasn't to play a board game it was a battle for the center of the city The news about Viktor's dare spread quickly through Grandview Everyone talked about the race and guessed whether Thomas who was good and strong could match Viktor's intelligence The stakes were very high because the game would decide not only Viktor and Thomas's place but also Grandview's future and peace People in the city were afraid that Viktor would win Even though Viktor was very smart he had shown over and over that his main goals were to increase his power and keep control over Grandview's well being When Thomas heard about the task he felt like his shoulder
