**Daring and Suffering: a History of the Great Railroad Adventure** William Pittenger,2012-11-22 The following work is a narration of facts My only desire is to give a clear and connected record of what will ever be regarded as a most remarkable episode in the history of the Great Rebellion The style of the book demands an apology It was begun in sickness induced by the privations of rebel prisons and completed amidst the fatigue and excitement of the most glorious campaign which has yet crowned our arms Under these circumstances there must be many faults of expression which a generous reader will readily pardon To the many kind friends who sympathized with me during the weary interval when my fate was considered hopeless as well as those who rejoiced with me on my return I can only tender my most sincere thanks Myself and comrades are greatly indebted to the PRESIDENT and Secretary STANTON for their generous recognition of our services and the munificent rewards bestowed upon us To them and to Judge HOLT Major General HITCHCOCK and JAMES C WETMORE Ohio State Military Agent we take this opportunity of expressing our heartfelt obligations Another to whom I am indebted is Dr R T TRALL of New York At his beautiful Hygiean Home on the mountain side near Wernersville Berks county Pennsylvania I regained my lost health For his kindness and that of his skillful assistants Drs GLASS and FAIRCHILD I will ever be deeply grateful It was with regret woven with many pleasant memories that I left their hospitable home when recovered health and duty called me again to the field     **DARING & SUFFERING** William 1840-1904 Pittenger,2016-08-25

*Daring and Suffering* William Pittenger,2015-07-14 Excerpt from Daring and Suffering A History of the Andrews Railroad Raid Into Georgia in 1862 Embracing a Full and Accurate Account of the Secret Journey to the Heart of the Confederacy the Capture of a Railway Train in a Confederate Camp the Terrible Chase That Followed and the Subse This book which is partly historical and partly personal is written from the standpoint of frank egotism It is far more easy to tell what the writer thought felt and did in the first person than to resort to tedious circumlocution As a large part of the interest of such a

narrative must consist in describing the sensations experienced in passing through such appalling dangers and tremendous vicissitudes of fortune it is clear that in a work of plain fact the writer cannot avoid making himself more prominent than his comrades His own emotions and the incidents in which he participated will be indelibly engraven in his memory while impressions received at second hand grow dim with the passage of years It also happened that in most cases where selection was practicable the writer was made the spokesman of the whole party and was thus brought into more frequent contact with both friend and foe Many instances of this will be noticed all through the story Great care has been taken in the citation of authorities The writer has not hesitated to claim for his own notes and memories the full weight to which they are entitled and has carefully indicated the sources from which he has drawn all other facts In no portion of war history of equal magnitude is there more abundant material preserved both on the Federal and the Confederate sides About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
