Dark Woods:

In the Heart of the Dark Wood Billy Coffey, 2014-11-18 A motherless girl hungry for hope and the dream that could be leading her astray Almost two years have passed since twelve year old Allie Granderson's beloved mother Mary disappeared into the wild tornado winds Her body has never been found Allie clings to memories of her mother just as she clings to the broken compass she left behind the makeshift Nativity scene in the front yard and her best friend Zach But even with Zach at her side the compass on her wrist and the Nativity right outside the window Allie cannot help but feel lost in all the growing up that must get done When the Holy Mother disappears from the yard Allie's bewilderment is compounded by the sudden movement of her mother's compass Following the needle Allie and Zach leave the city behind and push into the inky forest on the outskirts of Mattingly For Allie the journey is more than a ghost hunt she is rejoining the mother she lost and finding herself with each step deeper into the heart of the dark wood Brimming with lyrical prose and unexpected discoveries *In the Heart of the Dark Wood* illustrates the steep transition we all must undergo the moment we shed our childlike selves and step into the strange territory of adulthood

Dark Woods Christopher Balzano, 2007-11-21 Throughout its long history Freetown Massachusetts has been a hotbed of criminal and supernatural occurrences in the town's State Forest This is the first account of how its darker side connects hauntings with violent crime and local cults Native American ghosts roam here and evil lurks making the forest a haven for nasty creatures the Pukwudgies A witch looks for favors from young men satan cults thrive and killers kill Read first hand accounts from police officials and criminals about the forest Learn why hauntings continue today Many come here to enjoy the beauty of Freetown State Forest these are the stories of those who cannot leave

Machete Tomás Q. Morín, 2021-10-12 This fresh voice in American poetry wields lyric pleasure and well honed insight against a cruel century that would kill us with a thousand cuts Morín's writing uses the mundane details of everyday life as a jumping off point for creating fascinating and philosophical worlds LitHub Dios aprieta pero no ahorca God squeezes but He doesn't strangle the epigraph of *Machete* sets the stage for a powerful poet who summons a variety of ways to endure life when there's an invisible hand at your throat Tom's Morín hails from the coastal plains of Texas and explores a world where identity and place shift like that ever changing shore In these poems culture crashes like waves and leaves behind Billie Holiday and the CIA disco balls and Dante the Bible and Jerry Maguire They are long lean and dazzle in their telling *Whiteface* is a list of instructions for people stopped by the police Duct Tape lauds our domestic life from the point of view of the tape itself One part Groucho Marx one part Job Morín considers our obsession with suffering the pain in which we trust and finds that the best answer to our predicament is sometimes anger sometimes laughter but always via the keen line between them that may be the sharpest weapon we have

The Forest and the EcoGothic Elizabeth Parker, 2020-02-13 This book offers the first full length study on the pervasive archetype of The Gothic Forest in Western culture The idea of the forest as deep dark and dangerous has an extensive history and continues to resonate throughout contemporary popular

culture The Forest and the EcoGothic examines both why we fear the forest and how exactly these fears manifest in our stories It draws on and furthers the nascent field of the ecoGothic which seeks to explore the intersections between ecocriticism and Gothic studies In the age of the Anthropocene this work importantly interrogates our relationship to and understandings of the more than human world This work introduces the trope of the Gothic forest as well as important critical contexts for its discussion and examines the three main ways in which this trope manifests as a living animated threat as a traditional habitat for monsters and as a dangerous site for human settlement This book will appeal to students and scholars with interests in horror and the Gothic ecohorror and the ecoGothic environmentalism ecocriticism and popular culture more broadly The accessibility of the subject of The Deep Dark Woods coupled with increasingly mainstream interests in interactions between humanity and nature means this work will also be of keen interest to the general public

School of the Woods William Joseph Long,1902 **Monster Tamer: Volume 8** Minto Higure,2022-03-18 After forming a contract with the Misty Lodge and returning to town Takahiro and his group once more bump into the cheater Fukatsu Aketora and his traveling companion Thaddeus The circumstances of their encounter lead to Thaddeus revealing that he is actually a dragon Thaddeus s goal the reason why he s in town is to find a stray dragon who has escaped their settlement before any human casualties lead to inevitable repercussions Agreeing to help Takahiro embarks on a path that will teach him much about this world and harden his resolve for the future **Cabins in Modern Norwegian Literature** Ellen Rees,2014-03-06 This book examines the significance of cabins and other temporary seasonal dwellings as important symbols in modern Norwegian cultural and literary history The author uses Michel Foucault s notion of the heterotopia an actual place that also functions imaginatively as a kind of real world utopia to examine how cabins have signified differently during successive periods from an Enlightenment trope of simplicity and moderation through the rise of tourism into a period of increasing individualism and alienation from nature For each period discussed the author relates a widely recognized real world cabin to a cluster of thematically related literary texts from a wide variety of genres Cabins in Modern Norwegian Literature considers both central canonical works such as Camilla Collett s The District Governor s Daughters Bj rnstjerne Bj rnson s Synn ve Solbakken Henrik Ibsen s When We Dead Awaken and Knut Hamsun s The Growth of the Soil as well as less widely known literary works and texts from marginal genres such as hunting narratives and crime fiction In addition the book contains analyses of a few key films from the contemporary period that also activate the cabin as a motif The central argument is that while Norwegians today tend to think of cabin culture as essentially unchanging over a long span of time it has in fact changed dramatically over the past two hundred years and that it is an extremely rich and complex cultural phenomenon deeply imbedded in the construction of national identity Language Susan Miller,1998-06 The Dark Woods Debra Webb,2019-03-01 Will uncovering the truth about her past Destroy her future Driven to discover what really happened to her parents twenty seven years ago Sasha Lenoir seeks US Marshal Branch Holloway s help It s a big risk What

if her former lover learns her long held secret As their reignited desire draws them back into each other s arms Sasha knows that Branch deserves to hear the truth But will telling him about her past cost her a second chance with the man she never forgot A Winchester Tennessee Thriller **The Dark Woods Trilogy** Carol Culver Rzadkiewicz,2014-07-01 There s something terrible in the woods behind the bucolic farm in the North Georgia Mountains No one knows what it is but each time the farm changes ownership tragedy ensues A local hunter is mauled beyond recognition A young wife slowly descends into madness A trained athlete dies a horrifying death Now the farm has once again changed hands and Sheriff Randal Hayes with the help of big game hunter Byron Wilkes is determined to find and to kill the thing in the woods before it can destroy the new owner and his family But how do you find something as elusive as the wind How do you stop the unstoppable The Dark Woods Trilogy includes The Dark Woods a novelette The Runner a story and Master of Fright a novelette While each tale is also sold separately they have been combined in this volume with but minor revisions from the originals Manual Training Magazine Charles Alpheus Bennett,1905 The Wiltshire Archaeological and Natural History Magazine ,1872 Includes proceedings of the annual general meetings of the Wiltshire Archaeological and Natural History Society **The New England Magazine** ,1909 **Woodcarving** ,1921 **Wood Construction, Principles-practice-details** National Committee on Wood Utilization (U.S.),Dudley Frank Holtman,1929 *Wood Craft* ,1910 **Picturesque Ireland, Historical and Descriptive** William Henry Bartlett,Markinfield Addey,1890 **Aubrey.
