The Darkling Wind S P Somtow,2020-07-06 The majestic conclusion of the original Inquestor Series S P Somtow's classic masterpiece of the fall of a galactic empire returns in a new edition in time for the publication of new novels in the series What is it like to rule over a million worlds to uphold a civilization that has not changed in twenty thousand years Haunted by the spirit of a sentient star in the grip of the Throne of Madness Kolver has tried to lead a revolution but has

godhood corrupted him Published for the first time with Theodore Sturgeon s specially written introduction this edition of The Darkling Wind completes the reissue in new paper hardcover and digital editions of an iconic series which is now growing in breadth as a second trilogy emerges in the twenty first century In the long dark age that followed the High Inquest would be remembered as a golden age For the Inquestors had harnessed the unfathomable power of the heart of stars sailing the overcosm in their delphinoid ships and tachyon bubbles to dance on the faces of suns But the Inquest had its darker side as well For these beings played a ruthless game with billions of lives snuffing out worlds as chessplayers take pawns Waging an unending war on the false utopias that tempt mankind they sought to free humanity by enslaving it At last after countless centuries the Inquest was torn apart This is the story of the fall of that great empire and of the rebel Inquestor who hastened its end

Scripts of the Lost and Found Syndey Woods,2022-02-03 Have you ever felt invisible Made to feel unworthy Ashamed I m here to tell you You are not alone Hiding deep inside each and every one of us there is a terrified and trembling child who never had a voice Who was never really HEARD So many of us struggle with unresolved childhood traumas that remain repressed for years due to the stigma attached to mental health needs and diagnosis such as PTSD depression anxiety and addiction just to name a few At times we may feel weak isolated unloved and think that no one could possibly understand So we put on that fake happy facade with that fake happy smile and go about our fake happy day in perpetual AUTOPILOT But things aren t always as they seem This collection of thought provoking scripts contains the voice of the young child that sobs with sorrow and freezes in fear that hides deep inside our broken hearts and weary minds That meek child once masqueraded and muted is now all grown up Listen really listen to the words The DARKNESS is REAL Some succumb to its grip and lay LOST forever while others trudge through searching for the LIGHT and never abandoning hope With careful guidance from mental health professionals hand work and determination we can all be FOUND
