Describing The Indescribable A Commentary On The Diamond Sutra:

Describing the Indescribable Hsing Yun, 2016-07-05 The Diamond Sutra is revered throughout Asia as one of the Buddha's most profound expressions of the nature of reality. A gem among the vast Perfection of Wisdom literature, the Diamond Sutra elicits an experience of eternal truth through its use of a seemingly paradoxical style as the reader goes back and forth between what is and what is not. Master Hsing Yun skillfully plumbs the depths of the Diamond Sutra, illuminating for us its power to change who we are and how we interpret our world. *Describing the Indescribable* Xingyun, 2001-02

The Diamond Sutra is revered throughout Asia as one of the Buddha's most profound expressions of the nature of reality. Describing the Indescribable offers a brilliant explanation from a modern Chinese meditation master. **Probing the Sutras** Guy Gibbon, 2022-02-25 A compact summary like *Probing the Sutras* has been sorely needed for some time as more and more Westerners have dipped into meditation without any understanding of its predominantly Buddhist scriptural underpinning. This concise, well-informed introduction to the history and contents of eleven seminal Buddhist sutras also provides suggestions for reflection, meditation, and practical applications related to the key teachings of each scripture. Readers of *Probing the Sutras* will be able to develop a framework for understanding Buddhist doctrines and see the unique pearls of wisdom contained within each sutra. *Pearls of Wisdom* Hsing Yun, 2003-03

Among the many offerings that Buddhists make to the Buddha are incense, flowers, candles, and fruit. We make these offerings out of respect to the Buddha, not because the Buddha demands such offerings or because we expect to be rewarded by the Buddha for our offerings. We also offer ourselves when we bow and prostrate before the Buddha. To this list of offerings, we may also add our words in the form of prayers to the Great Compassionate Buddha. Venerable Master Hsing Yun has written this beautiful and comprehensive collection of Buddhist prayers to help Buddhists of all schools to focus their thoughts and to offer to the Buddha beautiful words of praise, gratitude, and thanksgiving. It is our hope that readers of these prayers will meditate upon the words and how they apply to their lives, will see their situations through the eyes of wisdom, and will act to bring about the changes that they desire in their lives. On the path towards enlightenment, we will receive help from many sources, and prayer or praise offerings will play a major role for many practitioners. It is hoped that these special prayers by Venerable Master Hsing Yun will take the reader far along the path towards enlightenment. Book jacket ￼ Xingyun, Hsing Yun, 2002

The name Buddha comes from a verb that means to awake. When asked what sort of creature he was—a man, a god, an angel—the Buddha replied, "I am awake." The life of a Buddhist then is a life dedicated to awakening. Whether through intellectual understanding, meditation practice, or both, the Buddhist is continually awakening to the true nature of things and of himself. In this book, Venerable Master Hsing Yun offers thirty-six brief essays as guides to living the Awakening Life. Most of the essays are divided into four or five main points as brief as they are; they offer rich opportunities for deep contemplation. Pondering these little gems can lead to greater awakening in every person's life. *Daily Wisdom* Josh Bartok, 2013-02-08
