imagination and release the housekeeper's muse For many housekeeping provides the key to a state of mind approaching meditation a state of mind also conducive to making poems The more than eighty contributors to *Sweeping Beauty* embrace this state and confirm that women are pioneers and inventors as well as life givers and nurturers My fingers are forks my tongue is a rose I turn silver spoons into rabbit stew make quinces my thorny upholstery how else could the side of beef walk with the sea urchin roe sings the cook in Natasha Saj's ode to kitchen alchemy I love the notion that we can take our most poisonous angers our most despairing or humiliated or stalemated moments and make something good of them something tensile and enduring says Leslie Ullman Whether we are fully present in our tasks or gone in the motion of performing them whether our stovetops are home to stewpots of discontent or grandmother's favorite jam something is always cooking
