Bird, 1947 **Desert Adventure** Sunita Apte, 2005-01-01 **True Desert Adventures** Gill Harvey, 2002 11 stories from the real Indiana Jones to Lawrence of Arabia 10 yrs **Desert Adventure** Brian Stuart, 1950 *The White Heart of Mojave; an Adventure with the Outdoors of the Desert* Edna Brush Perkins, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1922 edition Excerpt II How We Found Mojave WHEN the automobile was delivered into our hands at Los Angeles we wanted to turn around immediately and drive back through the Cajon Pass into the Mojave Desert but our inquiries about directions met with discouragement on every side It seemed to be unheard of for two women to attempt such a thing the distances between the towns where we could get accommodations were too great and the roads were apt to have long stretches of sand where we would get stuck Our friends drew a dismal picture of us sitting out in the sagebrush beside a disabled car and slowly starving to death You could not fix it they said and what would you do We suggested that we might wait until somebody came along They assured us that nobody ever came along We went to the Automobile Club they received us with enthusiasm and told us about all the places California is proud of and how to get to them but California seems not to be proud of the desert for when we mentioned it our advisers became gloomy They seemed to have no very definite information and were sure we would not like it In the face of so much discouragement we hardly dared to ask about Death Valley and when we did hesitatingly the question was ignored We simply could not get there nobody ever went The Imperial Valley seemed to be almost as bad One of the maps they gave us showed a main highway from San Diego over into it but they said that it was only a gravel road mountainous and steep and that we had better stick to the main routes Evidently they had no faith in our skill as drivers nor belief in our purpose so we soon gathered up the maps and innumerable folders about resort hotels thanked them and went our way The collection contained no map of the *True Desert Adventures* Gill Harvey, 2004-06-01 Collects stories of various explorers who had to learn to survive the desert s extreme conditions *Desert Adventure* Dorothy Spicer, 1968 **My Desert Adventure** Sonia Myson, 1945 **Desert Treasure** Helen Heffernan, Irmagarde Richards, Alice Salisbury, 1966 **Desert Adventure** Joyce Bell, 1986-01-01 The White Heart of Mojave; an Adventure with the Outdoors of the Desert Edna Brush Perkins, 2017-08-21 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that

The Great Desert Adventure Monica Kumar,2008 **True Stories of Desert Adventures** Gill Harvey,2015-06-01 Only the toughest creatures can survive in these most arid inhospitable areas of the world and the people in this collection of amazing stories are no exception Contains the true life stories of danger survival and cunning including explorers in the Gobi Desert and the exciting story of Lawrence of Arabia Black and white line drawings *The Desert Home the Adventures of a Lost Family in the Wilderness* Mayne Reid,2018-07-08 The Desert Home The Adventures of a Lost Family in the Wilderness by Mayne Reid The Great American Desert There is a great desert in the interior of North America It is almost as large as the famous Sa ra of Africa It is fifteen hundred miles long and a thousand wide Now if it were of a regular shape that is to say a parallelogram you could at once compute its area by multiplying the length upon the breadth and you would obtain one million and a half for the result one million and a half of square miles But its outlines are as yet very imperfectly known and although it is fully fifteen hundred miles long and in some places a thousand in breadth its surface extent is probably not over one million of square miles or twenty five times the size of England Fancy a desert twenty five times as big as all England Do you not think that it has received a most appropriate name when it is called the Great American Desert We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **Chloe and the Desert Heroes** The Desert Awareness Committee,2017-01-31 **Masterpieces Of Adventure ...** ANONYMOUS.,2025-05-22 Masterpieces of Adventure Stories of Desert Places is a captivating collection of thrilling tales set

[The White Heart of Mojave](#) Edna Brush Perkins, 2015-08-05 Excerpt from The White Heart of Mojave An Adventure With the Outdoors of the Desert While you wait for his ministrations you look out of his big window Below you the roofs of the city spread for miles to blue hills or the bright sea The smoke of tall chimneys rolls into the sky that fills all the space between you and the horizon and the sun the smoke of hustling prosperity fans out and floats and mixes with the clouds and becomes at last part of a majestic movement of something other than either smoke or clouds Suddenly the roofs that covered only tables and chairs and power machines cover romance a million romances rise and mingle like the smoke of the tall chimneys They mix with the romance of the clouds and the hills You are happy Nothing is changed around you but you are happy You only know that the sun did it and those far off hills When the man you are waiting for comes in you congratulate him on his fine view Then the jealous walls assert themselves again they want you to forget as soon as possible But you never quite forget About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
